once and for all, instead of having to handle one-off 'difficult' events, time and time again. Absolutely invaluable to everybody, How People Tick is full of tried and tested tips for handling 'difficult' people in 'difficult' situations, based on a real understanding of their behaviour. It is an essential read if you find people bewildering or just plain difficult, and yet still want to understand them, work with them and live with them.

For nearly thirty years, Maine's premier boating magazine Maine Boats, Homes & Harbors has published a regular column called Boatyard Dogs about dogs and the nautical life. This delightful book gathers the best of the column into a single volume that makes a wonderful gift for anyone who loves dogs--and boats.

takes the perspective of history to unmask the true genius of a person, a book or a point of view. Perhaps even more telling, the first attempt to deal with the subject of Jim Channon's First Earth Battalion was through the vehicle of comedy. The Men Who Stare at Goats, the movie starring George Clooney did not treat the ideas at the core of the First Earth Battalion with anywhere near the attention they deserve. In fact one could say that the movie trivialized the concept through humor, and marginalized the principals as addled characters. The true nature of the First Earth Battalion can begin to be appreciated by reading the Operations Manual. A hand illustrated work of art highlighting a new direction for not just the military but the planet as well. The fact that Jim felt the army could take the lead in this matter
