The animated series Star Wars Rebels took place years before the events of A New Hope. On the show, the crew of the Ghost were helping build the Rebellion. With each passing episode, the Rebels recruited more and more people, they got more ships and weapons and they grew to become the organized unit from Episode IV.

In its most traditional sense, rebel literally means to wage war against a government or other form of rule in order to overthrow it. When multiple people participate in this kind of act, it is called a rebellion.

~~Rebel | Definition of Rebel at Dictionary.com~~

The rebel yell was a battle cry used by Confederate soldiers during the American Civil War. Confederate soldiers used the yell when charging to intimidate the enemy and boost their own morale, although the yell had many other uses. No audio recordings of the yell exist from the Civil War era, but there are audio clips and film footage of veterans performing the yell many years later at Civil War veterans' reunions. The origin of the yell is uncertain. Units were nicknamed for their apparent abil
