Faulkner was a master of the short story. Most of the stories in this collection are drawn from the greatest period in his writing life, the fifteen or so years beginning in 1929, when he published *The Sound and the Fury*.

betrayal, murder, and

The vicious Snopes family of The Hamlet trilogy turns up in "Barn Burning" (1938), about a son's response to the activities of his arsonist father. Other inhabitants of Yoknapatawpha County appearing here include Jason and Caddy Compson, childish witnesses to the terror of
