expected to know by the time of an exam. While we offer study guides on our website, each candidate should decide what type of resources he or she should use for our exams.

ABR

Study guides for these categories may be found here. In addition, a portion of the Radioisotope Safety Exam (RISE), one of the requirements for Authorized User (AU) eligibility status, is included within the Core Exam. Physics questions are integrated into each category, so no separate physics exam will be administered.
