In *A Young Actor Prepares*, Jeff Alan-Lee masterfully delivers kids' and teens' acting classes presented as plays in script form. The classes are based on actual semesters at the Young Actor's Studio in Los Angeles and provide step-by-step approaches to help children and teenagers portray complex characters and tackle emotionally challenging roles. For over thirty years, Alan-Lee has worked with thousands of young people, teaching the work presented in this book. His work has been the springboard for award-winning artists in acting, directing, playwriting, screenwriting, and music. Inspired by Stanislavski's *An Actor Prepares*, Alan-Lee has developed engaging and exciting ways to create great acting, using a unique version of the Stanislavski system that he reworked for the young actor. It's a fun and easy method to help children and teens learn to apply Stanislavski-based exercises and use their own their own life experiences, imagination, and emotions to create authentic acting and performances. The book is for kids and teens, as well as teachers and parents. Kids and teens can find relatable characters and gain a deeper ability to make their acting shine. Teachers will get a unique look at how to handle a multitude of personalities while teaching the real work to children as young as eight. Parents will discover an actor's process that can lead their kids to greater self-esteem and creativity in all the arts

(Applause Acting Series). The way some introductory acting books are written, it seems that a literal leg break is your best option. In *The Young Actor's Handbook*, Jeremy Kruse, an actor, writer, producer, and director who teaches method acting, acting for camera, improvisation, and sketch comedy at The Lee Strasberg Theatre and Film Institute in New York, mends this mangled genre, distilling invaluable lessons and years of experience down to a lean, mean, intuitive hundred page primer. Rather than bludgeoning the uninitiated with dense paragraphs, vague concepts, and opaque examples, *The Young Actor's Handbook* ignites the beginning actor's creative soul with inspirational acting exercises, acting theory, writing exercises, and insight into what it means to be an actor. This concise and pragmatic manual will guide and inform the young actor, beginning actor, novice acting teacher, or anyone who wants to understand acting through a broad and diverse survey of essential knowledge. The teachings of Richard Boleslavsky, Stella Adler, Sanford Meisner, Uta Hagen, Michael Shurtleff, Lee Strasberg, and Constantin Stanislavsky are eloquently and accessible rendered, as are basics of script analysis, camera technique, the audition mindset, agent acquisition, and the actor's life. Whether you're a curious novice, veteran acting teacher, or even an interested observer, *The Young Actor's Handbook* will enhance your understanding of this vast and rewarding craft.

Presents more than two dozen play scenes designed to help young actors improve their stage skills, including selections for beginning and more experienced performers.
