**Guide** The Art of Calligraphy: A Practical Guide to the Skills ...

Calligraphy is a fine art, like painting, sculpture, drawing or photography. It's a way of seeing life and telling what you see.

Through calligraphy, you can learn about proportion, positive and negative space, depth perception, and light. Through calligraphy, we can elevate a message, since people respond to the qualities of a well-executed piece. That brings a special punch to the intellectual meaning of the words.
