attitude, relationships, mentoring, and more.

Talent wins games, but teamwork wins championships. This is true in sports, pop culture, and every other industry--including business. In this essential guidebook, New York Times bestselling author John C. Maxwell explains why teamwork is the heart of great achievement in the game of business and shows readers how to prioritize teamwork and collaboration to achieve winning results. You'll learn how to: build a team that lasts; create positive energy on the team; harness a team's creativity; identify weak players who negatively impact your team; and judge if your team can accomplish the dream. You'll also discover how a winning team is self-fulfilling fuel: because everyone wants to be part of the winning team, you'll continue to attract only the best talent--and stay on top. A great team is the key to great results--for individual employees, leaders, and the company as a whole. Teamwork 101 demonstrates how to build and maintain one for yourself so you can leverage the benefits--and fun--of exceptional teamwork.

John C. Maxwell, an expert in leadership development, uses his decades of experience to teach readers how to reach their full potential through a commitment to personal growth. In *Self-Improvement 101*, he provides the essential tips and tools to help any leader continue striving for excellence no matter what industry, business, or level of leadership. You'll learn: the secret of becoming a lifelong learner, where to focus your time for maximum growth, what sacrifices are worth making to keep getting better, how to overcome obstacles to self-improvement, the key to turning experience into wisdom, and why leaders need to be learners, among many other essential lessons. People never reach their potential by accident. Often, those who achieve the greatest success have the greatest desire to learn and grow. *Self-Improvement 101* guides readers on an essential journey to uncovering their own desire, commitment, and unyielding determination to improve their

life--and to improve themselves.

Ask the best leaders in any organization how they learned to be successful, and you often hear the same answer: they had a good mentor. That's why in this essential and easy-to-read reference book, international leadership expert John C. Maxwell gives readers the bottom line on mentoring--what it is, why they should do it, and how they can do it most effectively. In *Mentoring 101*, he guides readers in the art of mentoring by explaining how to choose the right person to mentor, how to create the right environment for leaders to thrive and grow, how to help people become better, and how to overcome the most intimidating hurdle of all: getting started. What if you spent your entire life achieving but never shared your wisdom with anyone else? Mentoring is the key to creating a lasting legacy, and *Mentoring 101* is your personalized key to seeing that journey through.

Written and compiled by John Maxwell, an internationally known pastor and dynamic motivational speaker, the powerful success principles in this book are the reader's master class in winning attitudes, ideas, and techniques for effective leadership.

Using insights from the Bible, dynamic pastor and motivational speaker Maxwell gives detailed steps for developing the attitude of mind which brings peace, courage, and success--to help turn problems into opportunities.

Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in

your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership—where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position—People follow because they have to. 2. Permission—People follow because they want to. 3. Production—People follow because of what you have done for the organization. 4. People Development—People follow because of what you have done for them personally. 5. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

Unleash your leadership potential. No matter who you are, you can lead—and lead well. That is the message New York Times bestselling author John C. Maxwell gives in this power-packed guidebook: *Leadership 101*. Here the consummate leader offers a succinct and inspiring framework for enhancing the leadership abilities you already possess. Learn how to: Follow your vision and bring others with you Produce a lasting legacy Grow the loyalty of your followers Make continual investments in the quality of your leadership Increase your ability to influence others Determine your leadership "lid" Empower others through mentoring Create a foundation of trust Use self-discipline to improve your character—and your results One of the keys to successful leadership is applying the concepts that have made other leaders strong. Here's your opportunity to do just that.

The fun and simple problem-solving guide that took Japan by storm Ken Watanabe originally wrote *Problem Solving 101* for Japanese

Get Free Atude 101 What Every Leader Needs To Know John C Maxwell

schoolchildren. His goal was to help shift the focus in Japanese education from memorization to critical thinking, by adapting some of the techniques he had learned as an elite McKinsey consultant. He was amazed to discover that adults were hungry for his fun and easy guide to problem solving and decision making. The book became a surprise Japanese bestseller, with more than 370,000 in print after six months. Now American businesspeople can also use it to master some powerful skills. Watanabe uses sample scenarios to illustrate his techniques, which include logic trees and matrixes. A rock band figures out how to drive up concert attendance. An aspiring animator budgets for a new computer purchase. Students decide which high school they will attend. Illustrated with diagrams and quirky drawings, the book is simple enough for a middle-schooler to understand but sophisticated enough for business leaders to apply to their most challenging problems.
