Beowulf A Verse Translation By Daniel Donoghue Seamus Heaney

Composed toward the end of the first millennium, Beowulf is the elegiac narrative of the adventures of Beowulf, a Scandinavian hero who saves the Danes from the seemingly invincible monster Grendel and, later, from Grendel's mother. He then returns to his own country and dies in old age in a vivid fight against a dragon. The poem is about encountering the monstrous, defeating it, and then ...

Beowulf: A Verse Translation with Treasures of the Ancient North (Part 2) Please help us improve with this one minute survey (opens in a new tab) Second part of Marijane Osborn's book Beowulf: A Verse Translation with Treasures of the Ancient North . 1983.

The text of this edition of Beowulf is based on the highly regarded Donaldson prose translation of the Anglo-Saxon epic poem.

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

Winner of the Whitbread Prize, Seamus Heaney s translation "accomplishes what before now had seemed impossible: a faithful rendering that is simultaneously an original and gripping poem in its own right" (New York Times Book Review)."

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

More than 70 of today's most celebrated poets, including Seamus Heaney, Robert Pinsky and Molly Peacock, present new translations of Anglo-Saxon poetry that give life to medieval English voices ranging from weary sailors and forlorn wives to farmers and drunken louts.

A best-selling translation of the classic epic is complemented by lavish photographs and illustrations of period relics, from Viking warships and chain mail suits to spearheads and a reconstruction of the Great Hall. Original. 30,000 first printing.

A verse translation of the first great narrative poem in the English language that captures the feeling and tone of the original.

This Norton Critical Edition presents the highly acclaimed Donaldson prose translation of Beowulf in its entirety. This accurate translation together with its useful annotation fully conveys the meaning and spirit of the Anglo-Saxon original.

Composed towards the end of the first millennium, the Anglo-Saxon poem Beowulf is one of the great Northern epics and a classic of European literature. In his new translation, Seamus Heaney has produced a work which is both true, line by line, to the original poem, and an expression, in its language and music, of something fundamental to his own creative gift. The poem is about encountering the monstrous, defeating it, and then having to live on, physically and psychically exposed, in that exhausted aftermath. It is not hard to draw parallels between this story and the history of the twentieth century, nor can Heaney's Beowulf fail to be read partly in the light of his Northern Irish upbringing. But it also transcends such considerations, telling us psychological and spiritual truths that are permanent and liberating.
