Whether you are: - a complete beginner - an intermediate-level student facing difficulties in your studies, - an advanced learner beginning to notice the signs of a plateau in your motivation This study guide has original, helpful techniques, hacks, and tips you can use to enrich your vocabulary and get you on track.

Health Assessment Made Incredibly Visual maximizes visual learning to help nurses master patient assessment. The book features: Hundreds of detailed and colorful photographs, diagrams, charts, and other visual aids guide nurses through each step of performing a head-to-toe physical examination. Aids nurses in identifying normal and abnormal findings. Light-hearted logos reinforce key points, and Best Picture graphically displays the best way to perform a technique. Take Note features lifelike charts showing how to document findings. Outside the Norm presents clear illustrations of abnormal findings. Memory Board presents visual mnemonics to help nurses remember difficult concepts. " Vision Quest " puzzles test readers ' knowledge in an entertaining way.

"This is a program that focuses on all 3 modes of communication (interpersonal, persentational, interpretive) and was designed with the Common Core State Standards (CCSS) in mind."--Amazon/Publisher.

Jensen ' s Vocabulary teaches through repetition for long-term retention by students as well as a simple format to follow with great results. The course provides a systematic approach to learning vocabulary with over 1,000 valuable words from basic roots. With several optional schedules provided, students are given weekly reinforcement so that Greek and Latin-based words become easy with four types of exercises for each set of words. When a student finishes the course, he or she will have increased ability to intelligently guess new words, enhancing and writing skills in any situation. Students completing this course will learn valuable skills. how prefixes, suffixes and roots combine to make all kinds of words.how to figure out the spelling of a word by the parts that make it up.how to think in logical fashion about words and their meanings.a few roots that give you the keys to hundreds of words.how to read and understand as well as express yourself more concisely

Workbook to accompany the main text, "Cinephile: Intermediate French Language and Culture through Film Second Edition"

This innovative film-based program is designed to motivate and inspire intermediate French students. Based on the French film Le Chemin du retour, Bien vu, bien dit is a completely integrated program for intermediate French. Each chapter of Bien vu, bien dit, the textbook, is correlated to an episode of the film. The textbook prepares students for the film-viewing experience through the chapter vocabulary presentations and activities and through additional pre- and post-viewing activities. The vocabulary and grammar presentations, as well as the activities, recycle and expand on the dialogue and structures presented in the film. Pair and small-group activities enable students to talk about the characters in the story and their own lives. The cultural content of the film is also explored in cultural notes and readings in each chapter. Le Chemin du retour, the film, is an engaging story about a young French journalist, Camille Leclair, and her pursuit of the truth about her grandfather ' s past. Through Camille ' s quest, students are introduced to many facets of today ' s French and Francophone cultures, as well as to important historical events in France. They learn language in the functional context provided by the film, and concepts are reinforced by onscreen activities that help students verify their comprehension. The feature-length film (102 minutes) is divided into twelve episodes, and each episode includes onscreen pre- and post-viewing activities that make the film more accessible to students, on both a linguistic and cultural level. Episodes are approximately fifteen to twenty minutes in length and correspond to the chapters in the textbook. Three and a half hours of viewing allow intermediate students to explore the richness of French language and culture. By hearing French spoken with a variety of accents and at different speeds in the film, students will gain confidence in their ability to understand authentic, spoken French.
