candlestick patterns like the doji, hammer and gravestone.

Candlestick Charts

Explained - Trading the Patterns

One of the most popular candlestick patterns for trading forex is the doji candlestick (doji signifies indecision). This reversal pattern

Access Free Candlestick

is either bearish or bullish depending on the previous candles. It will have nearly, or the same open and closing price with long shadows. It may look like a cross, but it can have an extremely small body. You will often get an indicator as to which way the reversal will head

Access Free Candlestick

from the previous
candles.
