Candleshoe, and the technique Innes uses to tell his story, is to say that it is rather like peeling an onion, layer by layer. Events at first seem to be impossible to explain or to comprehend, but each successive chapter and incident sheds a little more light on what is really going on under the surface.

Like most books by Michael Innes (J. I. M. Stewart), Candleshoe displays culture and erudition and the style is a pleasure to read. There is information about landscaping, historic architecture, art and poetry, and concern with the niceties of English etiquette – particularly important since some of the characters are very old, grew up under Victoria and haven't changed.

"Christmas at Candleshoe" has nothing to do with the December holiday, but rather a seventeenth century sculptor named Gerard Christmas. Wealthy Americans, Grant Feather and his mother are touring England, viewing a miscellany of manors, monuments, three-decker Jacobean pulpits, and churches with Owl-and-Ivy work.
