I am a reasonable person and as long as the communication channels are open and clear, I have no problems accommodating special circumstances. Book/ Magaizine as per title.

Formed in the aftermath of the Horus Heresy, the Flesh Tearers, veterans of the Blood Angels Legion now cast adrift, gather behind their leader, Chapter Master Amit, and set out to forge their own destiny. None of the scions of Sanguinius are as bloody or wrathful as the Flesh Tearers. The fury of this Chapter, scorned by the Blood Angels and many of their successors, is legendary. Within them, the Black Rage is made manifest, a curse on the Imperium and its enemies. In the uncertain years following the end of the Great Heresy, it fell to Amit to lead this benighted Chapter. Upon his shoulders lay a heavy burden, for to prevent their own self-annihilation, the Flesh Tearers must not only fight their many foes but their very nature itself.

Discover the story of Astorath, one of the Blood Angels' most fascinating characters! Following the Devastation of Baal and the arrival of the Primarch Roboute Guilliman's Indomitus Crusade, Commander Dante of the Blood Angels has been appointed Lord Regent of all Imperium Nihilus. Working with the successor chapters of the Blood Angels, Dante commands that the area around the Red Scar be scouted in preparation for reconquest. The Red Wings' sweep has led them to the foetid world of Dulcis, dangerously near to the Cicatrix Maledictum itself. Decimated by the tyranids during the war for Baal and only lightly reinforced by Primaris Space Marines, the Red Wings Chapter are in no position to deal with the events that unfold there. Strange psychic phenomenon and a deadly xenos enemy threaten the great hope of all the Chapters of the Blood – that the flaw in Sanguinius' geneseed has at last been tamed. Drawn by the Black Rage to Dulcis, Astorath the Grim, Lord High Chaplain and Redeemer of the Lost, comes to aid the Red Wings. But what he discovers there will shake the Chapters of the Blood to their very core.

The popular Space Marine Battles series is relaunched with an epic novel that sees the whole Blood Angels Chapter in action, fighting a desperate rearguard battle to defend their home world from the predations of the tyranid hive fleet Leviathan. After a brutal campaign in the Cryptus System fighting the alien tyranids, Lord Dante returns to Baal to marshal the entire Blood Angels Chapter and their Successors against Hive Fleet Leviathan. Thus begins the greatest conflict in the history of the sons of Sanguinius. Despite a valiant battle in the void around Baal, the Blood Angels are unable to stop the tyranids drawing ever closer, but their petitions for reinforcements are met with dread news. The Cadian Gate, the Imperium's most stalwart bastion against Chaos, has fallen. In their darkest hour, no help will reach the beleaguered Dante and his warriors. Is this truly then the Time of Ending?

A supplement to the Warhammer 40,000 game. Describes in detail the Imperial guard army, its background and its heroes. Includes an army list, background, a hobby section and special characters.

A new anthology of short stories delving into the secret history of the Horus Heresy. After the betrayal at Istvan, Horus begins his campaign against the Emperor, a galaxy-wide war that can lead only to Terra. But the road to the final confrontation between father and son is a long one – seven years filled with secrecy and silence, plans and foundations being formed across distant stars. An unknown history is about to be unveiled as light is shed on the darkest years of the Horus Heresy, and revelations will surface that will shake the Imperium to its very foundation...

Delve into the dark, beating heart of the Blood Angels with a novel that focuses on their twin flaws and the desperate struggle to prevent them from damning the Chapter for eternity. The galaxy is in flames. Chaos is in the ascendant across the stars. The Great Rift has split the holdings of the Imperium in twain, isolating entire sectors from the light of Holy Terra. But all hope is not lost. The Primarch Roboute Guilliman has returned from deathless sleep, and appointed Commander Dante, lord of the Blood Angels, as Regent and Warden of the newly dubbed Imperium Nihilus. In the Baal system, the shattered holding of the Chapter is being rebuilt, and Dante plans the greatest campaign of his long life, to retake half an empire. And yet at this moment of rebirth there are dangers close to home that could overwhelm all those who carry the blood of Sanguinius in their veins, stopping Dante's noble endeavour before it is begun. The Flaw in Sanguinius's sons is growing. As the twin curses of the Red Thirst and the Black Rage threaten everything, the hardest ordeal will fall upon Mephiston, twice-born Lord of Death and
