With nearly 800 pages, *French All-in-One For Dummies* is for those readers looking for a comprehensive guide to help them immerse themselves in the French language. Culls vital information from several *Dummies* titles, offering you a comprehensive, all-encompassing guide to speaking and using French Includes French Canadian content and enhanced practiced opportunities Its accompanying audio CD provides you with an effective tool to start speaking French right away Both new students of French and experienced speakers can benefit from the wealth of information that has been included in *French All-in-One For Dummies*. CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase.

—A delightful and courageous tale and a romping good read. *Voilà!* —Mark Greenside, author of *I'll Never Be French (No Matter What I Do)* William Alexander is more than a Francophile. He wants to be French. There's one small obstacle though: he doesn't speak *la langue française*. In *Flirting with French*, Alexander sets out to conquer the language he loves. But will it love him back? Alexander eats, breathes, and sleeps French (even conjugating in

his dreams). He travels to France, where mistranslations send him bicycling off in all sorts of wrong directions, and he nearly drowns in an immersion class in Provence, where, faced with the riddle of masculine breasts, feminine beards, and a turkey cutlet of uncertain gender, he starts to wonder whether he should've taken up golf instead of French. While playing hooky from grammar lessons and memory techniques, Alexander reports on the riotous workings of the Académie française, the four-hundred-year-old institution charged with keeping the language pure; explores the science of human communication, learning why it's harder for fifty-year-olds to learn a second language than it is for five-year-olds; and, frustrated with his progress, explores an IBM research lab, where he trades barbs with a futuristic hand-held translator. Does he succeed in becoming fluent? Readers will be as surprised as Alexander is to discover that, in a fascinating twist, studying French may have had a far greater impact on his life than actually learning to speak it ever would. "A blend of passion and neuroscience, this literary love affair offers surprise insights into the human brain and the benefits of learning a second language. Reading William Alexander's book is akin to having an MRI of the soul." —Laura Shaine Cunningham, author of *Sleeping Arrangements* "Alexander proves that learning a new language is an adventure of its own--with all the unexpected obstacles, surprising breakthroughs and moments of sublime pleasure traveling brings." —Julie Barlow, author of *Sixty Million Frenchmen Can't Be Wrong*

Teaches the grammatical rules of Spanish, including the parts of speech, sentence construction, punctuation, verb tenses, and moods.

The Comparative Vocabulary Study Guide, Spanish to English to Italian, highlights over 7,000 selected Spanish words that have either the same spelling and meaning as their English and Italian counterparts or contain easily recognizable English and Italian meanings. This guide jump-starts the student into a knowledge of Spanish or English or Italian, or all three, by concentrating on easily recognizable words common to these languages. It teaches a basic vocabulary by word association. This guide is designed after the "vocabulary first" method of language instruction as advocated by the author. The student then is taught how to structure a particular vocabulary into meaningful sentences and concepts.

Want to speak German but don't know where to start? This book is for you! Don't waste money buying ten different books when you can learn everything you need in this one book. Don't waste money taking classes at a school when you can teach yourself. Why buy a similarly priced book that only teaches basic entry level German grammar when you can master the language with this one book? With *Speak German in 90 Days*, all of the prep work is done for you. Each daily lesson will teach you not only what, but how to study. *Speak German in 90 Days* is a comprehensive self study guide, and teaches the equivalent of two years of a college level German class. It can also be used by intermediate students to brush up on grammar and vocabulary. The content includes: How to Study - Tips and tricks on how to study and what to study to learn and retain the language quickly. Pronunciation - An easy and accurate guide for American English speakers. Grammar - All essential grammar taught in two years of a college level German course Vocabulary - Over 1000 of the most common German words Vocabulary nuances - Explanations of how to use vocabulary that you can't find in a dictionary or other text books. Idiomatic expressions. New to the 2nd Edition: New Foreword. Reorganized chapter layout for ease of understanding. Added grammar cards to each chapter to help memorize grammar structures. Clarified grammar explanations. For questions or comments please send an email to [speakgerman90@gmail.com](mailto:speakgerman90@gmail.com)

A TikTok sensation, this rom-com about a young woman who agrees to fake date a colleague and bring him to her sister's wedding has "everything you could want in a romance" (Helen Hoang, New York Times bestselling author). Catalina Martín desperately needs a date to her sister's wedding. Especially since her little white lie about her American boyfriend has spiralled out of control. Now everyone she knows—including her ex and his fiancée—will be there and eager to meet him. She only has four weeks to find someone willing to cross the Atlantic and aid in her deception. New York to Spain is no short flight and her raucous family won't be easy to fool. Enter Aaron Blackford—her tall, handsome, condescending colleague—who surprisingly offers to step in. She'd rather refuse; never has there been a more aggravating, blood-boiling, and insufferable man. But Catalina is desperate, and as the wedding draws nearer, Aaron looks like her best option. And she begins to realize he might not be as terrible in the real world as he is at the office.

Presents the principles of Spanish vocabulary, grammar, and usage for immediate use, along with a Spanish/English-English/Spanish dictionary, a guide to pronunciation, cultural information, useful phrases, and exercises.
