from the original textbook. All time-sensitive pedagogical features and materials at the end of chapters have been moved from the printed textbook to the Online Companion. The Online Companion provides a dedicated Web site featuring all of the core content from the Print Companion combined with integrated, interactive learning resources, self-assessment tests, note-taking features, and basic course-management tools that enable instructors to create and manage a syllabus, track student self-assessment scores, broadcast notes to students, and send electronic messages to students.

We're facing an information overload. With the quick tap of a finger we can access an endless stream of addictive information—sports scores, breaking news, political opinions, streaming TV, the latest Instagram posts, and much more. Accessing information has never been easier—but acquiring wisdom is increasingly difficult. In an effort to help us consume a more balanced, healthy diet of information, Brett McCracken has created the “Wisdom Pyramid.” Inspired by the food pyramid model, the Wisdom Pyramid challenges us to increase our intake of enduring, trustworthy sources (like the Bible) while moderating our consumption of less reliable sources (like the Internet and social media). At a time when so much of our daily media diet is toxic and making us spiritually sick, The Wisdom Pyramid suggests that we become healthy and wise when we reorient our lives around God—the foundation of truth and the eternal source of wisdom.
