We all want to be liked or loved and feel close to our partners, friends and colleagues. What we don't always know is how to make that connection. In this empowering book, Susan Jeffers gives us the insights and tools we need to end our loneliness and create a sense of belonging everywhere we go. Dare to Connect is for everyone who has ever asked: Why do I feel so nervous when I walk into a room full of strangers? Why do I feel lonely, even though I'm surrounded by people? Why do I feel so alienated from my husband/wife/lover? Why is it the hardest to approach the person I'm most interested in meeting? With wisdom and humor, Susan Jeffers shows you how to enjoy the wonderful relationships you deserve. Dare to Connect takes the reader on a powerful journey from fear and alienation to love and empowerment. I highly recommend it. -- Dr. Susan Forward, author of Toxic Parents, Men Who Hate Women and the Women Who Love Them and Emotional Blackmail "A book that we can all benefit from." -- Louise L. Hay

We all want to be liked or loved and feel close to our partners, friends and colleagues. What we don't always know is how to make that connection. In this audiobook, Susan Jeffers aims to provide the insight and tools we need to end our loneliness and create a sense of belonging everywhere we go.

Dare to Connect addresses the whole teacher and how to create success in school, outside of school, and in retirement through connections with stakeholders utilizing the 6 P's of the professional teacher: present, prepared, part of the team, positive, proactive, and patient. It concludes with the future of education: leading changes from the classroom: teachers as respected professional leaders and collaborators with their stakeholders.

In this empowering book, Susan Jeffers reveals to us the heart and soul of connection. We all want to be loved by our partners, and to have good relationships with friends and colleagues. What we don't always know is how to make that special sense of connection happen. In Dare to Connect, Susan gives us the insights and tools we need to create a sense of belonging everywhere we go. We learn that this is a world where there are no strangers and we never need to feel alone. Dare to Connect is for everyone who has ever asked: Why do I feel so nervous when I walk into a room full of strangers? Why do I feel lonely, even though I'm surrounded by people? Why do I feel so alienated from my husband/wife/lover? Why is it so hard to approach the person I am most interested in meeting? With wisdom and humour, Susan Jeffers shows you how to enjoy the wonderful relationships you deserve.

Well, this book of connect the dots is going to be tough for learners who are still struggling with focus. You see, the game requires the ability to dive into the details. You won't see games out there that require as much attention to details as this book. A child would have to connect the dots according to a given sequence. Can your child do that?

Sainsbury's Magazine Book Club Choice 'Tense, dark and so real as to be almost unbearable, this novel is utterly compelling.' Rosamund Lupton, international bestselling author of Sister and Three Hours 'Wayne weaves a book that is at once engrossing and an exploration of what it means to be a woman, a moral person, a parent, and a neighbour.' Rowan Hisayo Buchanan, author of Starling Days and Harmless Like You 'To Dare is a vivid, poignant, and compelling read; Jemma Wayne skilfully weaves her narrative threads tighter and tighter as the story moves towards its nerve-jangling conclusion. I loved it - I couldn't put it down!' Saskia Sarginson 'A five star novel by one of our best writers. I was gripped.' Louis de Bernières, author of the international bestseller Captain Corelli's Mandolin 'Dares, violent jealousies and chasms between having and not having are at the heart of this uncomfortable urban tale. Simone has found herself a new job but is biding her time to tell her angry, addicted husband Terry. Next door, Veronica has just moved into her smart new home, and from the chill of the marital bed, hears brutal body thumps against the party wall. Then Veronica runs into Sarah, her former teenage best friend, and Sarah hesitantly allows a reconnection. A power game kicks off. The collision of their lives, determined by upbringing, powers Jemma Wayne's fierce storytelling.' Sainsbury's Magazine Book Club 'Veronica and her wealthy husband George are unpacking boxes, hoping a fresh start in their newly refurbished Victorian terrace will help them heal from a recent trauma. Next door, Simone returns to her neglected council flat. Miserable and trapped, she struggles to take care of her children under the watch of her controlling husband Terry. When childhood friend Sarah re-enters Veronica's life, things are thrown even further off balance. As tensions in their own lives rise, the painful memory that binds them threatens to spill into their present. Three lives collide in this story of family, inequality and revenge.' 'To Dare is a superior thriller, unflinching in its examination of class prejudice and in its portrayal of grief. Wayne writes beautifully with scarcely a word wasted. The characters are real and relatable and watching them all go through Wayne's devious wringer is irresistibly entertaining. The final suspenseful chapters had my heart pounding as Wayne's expertly drip-fed plot begins to congeal like spilt blood. I still can't shake the image of the shocking conclusion from my mind.' A.S. Hatch 'Jemma owes me a night's sleep! What a transfixing book. The tension spirals out of control and you have no idea how it will end... It's clever and well written and I can see how Jemma has been shortlisted for so many prizes.' Hilary

Boyd, author of *Thursdays in the Park* and *The Lie*'To Dare is not only a skilful and intimate dissection of the power struggles that exist between female friends in any era, but also a daring exploration of our class divides, and of the most terrifying issues hidden behind closed doors... To Dare is a rare example of fiction that is equally literary and commercial.'Ophelia Field, author of *The Favourite*'Exquisitely written with a fine eye for detail and characterisation. A poignant portrayal of friendship and strangers who have more and yet less in common than first meets the eye.'Jane Corry, author of *My Husband's Wife* and *Blood Sisters*'In an exploration of very different lives and backgrounds, To Dare is a novel with exquisitely drawn characters and multi-layered prose. Secrets weigh heavily in this beautifully written novel, and they'll sit with you long after you finish.'Rachael Blok'To Dare is a tense, fast-paced novel that combines an edge-of-the-seat narrative with an unflinching examination of inequality, jealousy and friendship. Superbly observed, the characters remain in the mind long after the final page is turned. A cut above others in this genre.'WI Life magazine'Wayne shines creative light on the inter

Olive and her adopted siblings Charlotte and Darwin are spending the summer with their estranged grandma at her creepy hotel and it's all work and no play. They're stuck inside doing boring chores but they soon stumble upon an incredible secret... Behind each room door of the hotel lies a portal to a different strange and mysterious place. The simple turn of a knob transports them to a distant magical world filled with space pirates. Behind the next door are bearded wizards. Down the hall is a doorway to a cotton-candied kingdom. But once the doors are opened, worlds start colliding, and only one family can save them before they tear themselves apart. Written by Terry Blas (*The Amazing World of Gumball*) and illustrated by the talented Claudia Aguirre (*Kim & Kim*), this world-hopping fantasy tale breaks down the door to imagination and dares you to embrace the idea that family is everything.
