be charged in case of claims against the company or its bankruptcy. A stockholder in a corporation can only lose his/her investment, and a limited partner can only lose his/her investment, but a general partner can be responsible for all the debts of the partnership. Parties to a contract can limit the amount each might owe the other, but cannot contract away the rights of a third party to make a claim.

COMMERCIAL LAW | meaning in the Cambridge English Dictionary

Commercial definition: Commercial means involving or relating to the buying and selling of goods. | Meaning, pronunciation, translations and examples

Commercial definition and meaning | Collins English Dictionary

Business law and commercial law are two areas of legal practice that have so many overlapping issues that most attorneys who practice one will also have expertise in the other. Commercial law focuses on the sale and distribution of goods, as well as financing of certain transactions. Business law focuses on the other aspects of business, including forming a company, mergers and acquisitions, shareholder rights, and property issues such as leasing office or warehouse space.
