-Jonathan Mahler, The New York Times Book Review "Fear City is the best account of the New York City fiscal crisis of the 1970s and, more than that, an indispensable contribution to understanding the rise of austerity economics and the long decline of the public sector. This is a history with huge implications for the remaking of American politics and economics in our time."

Fear City: New York's Fiscal Crisis and the Rise of ...

At once a sweeping history of some of the most tumultuous times in New York's past, a gripping narrative of last-minute machinations and backroom deals, and an origin story of the politics of austerity, Fear City is essential reading for anyone seeking to understand the resurgent fiscal conservatism of today. Fear City is one of Publishers Weekly's Top 10 Best Books of 2017, and a finalist for the Pulitzer Prize for History

Fear City: New York's Fiscal Crisis and the Rise of ...

Kim Phillips-Fein's excellent new book, Fear City: New York's Fiscal Crisis and the Rise of Austerity Politics, vividly depicts a period when New York was seen - not always positively - as an archetypal example of urban liberalism. Much of the emergency that defined New York's mid-1970s character revolved around debt, accounting practices, and municipal bonds, but in Phillips-Fein's hands it is not only exciting but extremely relevant, too.

Fear City: New York's Fiscal Crisis and the Rise of ...

Fear City is a fascinating look at New York City's fiscal crisis in the 1970s. Phillips-Fein is a great storyteller who synthesized a vast amount of data to generate an exceptionally well-organized and written documentary. The detail may be a bit excessive. But every chapter and subsection flows smoothly. She has a liberal bias.

–Jonathan Mahler, The New York Times Book Review “Fear City is the best account of the New York City fiscal crisis of the 1970s and, more than that, an indispensable contribution to understanding the rise of austerity economics and the long decline of the public sector. This is a history with huge implications for the remaking of American politics and economics in our time.”

Fear City | Kim Phillips-Fein | Macmillan

“Fear City is the best account of the New York City fiscal crisis of the 1970s and, more than that, an indispensable contribution to understanding the rise of austerity economics and the long decline of the public sector. Kim Phillips-Fein shows how New York became the testing ground for market-based responses to urban problems.

Fear City | Kim Phillips-Fein

One that is still driving public policy today, and which in many ways has shaped some of the fundamental divides of class, wealth and power in this country. Going back to ground zero in this battle...

Fear City: New York's Fiscal Crisis and the Rise of Austerity Politics An Interview with Kim Phillip

New York's fiscal crisis of the mid-1970s is surely one of the weirdest moments in the history of the city – indeed, of the United States. It was a time when the wholesale disintegration of the...

Fear City: New York's Fiscal Crisis and the Rise of Austerity Politics. By Kim Phillips-Fein. Metropolitan Books (April 2017) 416 pages. Critics of neoliberalism have well established that disasters, be they economic, ecological, or political, create space for opportunistic restructuring. In post-Allende Chile as in post-Katrina New Orleans, free market ideologues, business interests, and neoconservative political regimes seized the chance to dismantle robust public services and unions ...
