Fiac Air Compressor the whole catalogue Lineonline.co.uk
The Quick Air 2 boasts 2.2 cfm at 105 psi and runs about \$250. A/C compressors can be converted to pump air instead of freon. These compressors can be gotten cheap (\$20-40) from junk yards and are very powerful, since they run off your engine. They not only fill tires quickly, but they can keep up with most air tools.
