Through the Cambridge O Level Geography syllabus, learners will develop a 'sense of place' by looking at the world around them on a local, regional and global scale. Learners examine a range of natural and man-made environments, and learn about some of the processes that affected their development. They will also look at the ways in which people interact with their environment, and the opportunities and challenges an environment can present, thereby gaining a deeper insight into the ...

The first part of the paper is 20 short questions (60 marks) covering all areas of the course. In section 2 of the paper you must do three long questions. Each long question contains A, B and C parts. The exam lasts for 2 hours so you should spend about 40 mins on the short questions and 24 minutes on each of the long questions. Any tips for doing well in Junior Certificate Geography ?
