Geometry Mcdougallittell Practice Textbook Answers For  
A practice workbook with no answer key is useless. If you  
want to judge whether you know a topic, and you can't tell if  
you've done them properly, you really have no sense of  
where you stand. Also, the workbook sections don't match  
the current version of the textbook. Not expensive, but a  
total waste of money.
