global pandemic has imposed new demands on teachers, learners and education systems.

More and more pupils are learning Spanish, starting in the second year of Secondary school (Year 8). This book is designed specifically for Year 8 starters.

Clear learning targets are made explicit to the pupils at the start of each unit. Simple grammar explanations and lots of opportunities for grammar practice help you to provide an integrated approach to teaching the structure of the language. Language-learning skills are carefully developed through the

activities, and are further supported in the other components of the course. The iMira! 2 Pupil Book for Year 8 has differentiated activities for pupils working at different levels. The short two-page units are motivating and accessible for your pupils and make lesson planning easier for you. Mini-tests in the middle of each module, end-of-module checklists and revision tests provide valuable material for Assessment for Learning. The Pupil Books contain plenty of activities that pupils can do on their own for homework and cover work.

Boosts your pupils' enthusiasm - fun features such as photo stories and songs capture and maintain

your pupils' interest. Helps pupils become more independent language learners - regular language-learning tops help pupils to learn and recall new language, while each module provides an Estrategia to help pupils memorise vocabulary. Increases pupils' confidence in speaking Spanish - with confidence-boosting exercises and regular pronunciation tips to help pupils sound more Spanish! Gives pupils a solid understanding of grammar - with grammar boxes on every spread, plus a dedicated grammar section at the back of the book to help pupils understand how language works. Uses Assessment for Learning to maximise pupils' progression - as well as regular opportunities for

"This book provides practical help for undoing the deficit perspective that is frequently applied to Latinx bilingual students. This deficit perspective limits educators from getting to know bilingual learners and has lasting effects on children's self-concept, socio-emotional growth and academic development. As emergent bilingual Latinx children become the majority in PK-12 schools, and as Latinx communities face increasing socio-political hostility, it is urgent

that we shift to teaching practices that honor the knowledge students engage every day across different contexts.

Schooling impacts how societal norms are reproduced, contested or reimagined, and the lessons, along with the pedagogical framework that we present in this book, can create that opportunity to fully embrace the ways we can connect with our students and have an impact beyond the classroom. This book offers lessons with a decolonized bilingual sustaining pedagogy approach: a culturally sustaining topic having to do with language practices, literacies, and power texts that show different ways we engage with language practices translinguaging (using all of
