Angel Campground,  
you begin your second  
day and see the greatest  
change in elevation  
(4,380 feet up and  
down), ascending about  
9.5 miles out of the  
canyon to South Rim  
(and then back again)..  
That ' s right, today is a  
19-mile hiking day.

The most important  
draw for visitors to the  
area would be an  
opportunity to find  
organ pipe cactus,  
which in Arizona are  
contained from the  
southern reaches of this  
country. The Bull

through some scenery,  
in the mountains, also  
offers views across the  
canyon, desert cliff walls  
of those hills you're  
climbing, and views  
away to the hills in  
Mexico.
