Farang is a Persian and southeast Asian word that originally referred to the Franks and later came to refer to Europeans in general. The word "Farang" is a cognate and originates from old french: "franc". Frankish societies emerged in the middle east, and some Franks traveled to south Asia and southeast Asia, resulting in some Frankish traditions and foreign words emerging in Asian and Middle eastern environments. During the crusades, Frankish control was extended further in the Middle East, unli

Farang - Wikipedia

'The city farang, farang being a white, western person, had never been in the jungle before, and had no experience of the people who called the jungle their home.' With these words we enter the inner world of the city farang, someone who has grown up and lived all their life surrounded by buildings and cars, fumes and steel, a fabricated nature.
