HOW TO RAISE A JEWISH DOG extends that idea and uses child raising techniques, with a lot more patience, understanding, and guild inducement, which goes both ways. There are some very funny segments in the book. e.g., the charts creating new hybrids and telling the advantages of being raised Jewish.

These three tenets from the field of intercultural communications can help you figure out how to give your child(ren) an unambiguously Jewish identity without occluding the other partner's cultural identity:

1. Know and respect who you are. (Embrace your own cultural identity.)
2. Know and respect who others are.

— Simon Rucker * JEWISH
CHRONICLE * How to Raise a
Jewish Dog is essentially
one long joke: bit it's a
very funny one! at only 162
pages it doesn't outstay its
welcome. The prose is well-
written with a great sense
of comic timing, which is
why it comes recommended.
