The Transformative Power of The Goddesses of Yoga How do you live a life of spiritual awakening as well as outer abundance, inner freedom as well as deep intimacy? How do you serve the world selflessly, yet passionately celebrate your life? The sages of Tantra have known for centuries that when you follow the path of Shakti — the sacred feminine principle personified by the goddesses of yoga — these gifts can manifest spontaneously. Yet most of us, women as well as men, have yet to experience the full potential of our inner feminine energies. In *Awakening Shakti*, you will learn how to recognize and invite:

- Kali, bringer of strength, fierce love, and untamed freedom
- Lakshmi, who confers prosperity and beauty
- Saraswati, for clarity of communication and intuition
- Radha, who carries the divine energy of spiritual longing
- Bhuvaneshvari, who creates the space for sacred transformation
- Parvati, to awaken creativity and the capacity to love

With a wealth of meditations, visualizations, mantras, teachings, and beautifully told stories, *Awakening Shakti* provides a practical guide for activating the currents of the divine feminine in every aspect of your life. In 1991, author Sunil Reddy was a college student in Hyderabad when he sought out Guruji Verahur V. Srinivasan, a retired deputy inspector general of police who was a Yogi and a God-realized saint. Reddy wanted to learn the art of meditation from this man who was a prodigy in mastering different spiritual paths. They connected, and for the next four years, the two met weekly. *"Guruji: Teachings of a Hindu Saint"* recounts those meetings and the lessons learned. Reddy presents this collection of spiritual practices and techniques gleaned from a master and designed to help guide a true practitioner. He narrates Guruji's visions and experiences with other masters, details the stages of spiritual progress, addresses distractions and detractors, repeatedly shows the qualities of true practice, and offers guideposts for assessment. Providing an in-depth look at many concepts central to the practice of Hinduism, *"Guruji: Teachings of a Hindu Saint"* guides disciples and seekers in their quest for spiritual enlightenment.

“Singing is as human as breathing, and this book tells us why.” —Mark Guarino, contributing music writer, *The Guardian* Popular yogi-musician Girish opens new possibilities for transforming your life through song, combining the ancient art of singing mantra with twenty-first century neuroscience research. For as long as he can remember, Girish has created rhythm to accompany life. His first experience of music as sacred art came in college, playing with jazz bands. “During improvisational sessions,” he recalls, “there were these unexplainable moments of synchronicity and intuition that felt like magic.” This led Girish to an unexpected journey—a seeming detour to live as a monk in an ashram for five years that inadvertently nourished his musical artistry. Here, he studied Sanskrit as a means to understand the deeper meanings of ancient chants, which sparked a life-changing event that led him back to music—and to combining music with Sanskrit chants. Now he shares what he ’s

learned to help people of all ages, backgrounds, and traditions to transform body, brain, and life through mantra and music. With Music and Mantras, Girish has created a toolkit for personal transformation through singing, sharing his own experience as a musician, yogi, and former Hindu monk. Weaving simple, elegant mantras from ancient traditions with neuroscience, Girish shows us how to achieve greater peace of mind, clarity, calm, focus, and even improved health and wealth through "kirtan," the yogic art of chanting—an inspiration that anyone can sing their way to happiness, health, and prosperity.
