Il mazzo delle sibille è composto da 52 carte o lame. Chiamate carte "chiacchierine" riescono, come gli arcani minori, ad entrare nello specifico delle situazioni e come i tarocchi ed interpretare il passato, chiarire il presente e predire il futuro. Le sibille hanno una certa corrispondenza con le carte francesi, comunemente conosciute come carte da poker o ramino, e come queste si suddividono in 4 semi.
