The difference is critical and key to making big changes happen. To make gender equality a reality | from the boardroom and C-suite to front-line employees | organizations need to shift their thinking around values. Priorities can change at any time. Values do not. Values and beliefs drive culture and behaviors.

~~Make Gender Equality a Value, Not a Priority~~

A NO deal Brexit is just seven days away unless the EU suddenly backs down on its fishing quota demands, experts have warned. The EU is demanding to have the same access to fish in British waters |
