The Market Leader specialist titles extends the scope of the Market Leader series and allows teachers to focus on the reading skills and vocabulary development required for specific areas of business.

The major business English course for tomorrow's business leaders. Incorporating material from the Financial Times(c), it bring business right into the classroom.

How to teach one to one classes - for the professional English language teacher. This book provides an analysis of the problems of teaching students on a one to one basis as opposed to teaching groups of students. Covering a wide range of topics in this field, this book explains learner needs analysis and learner profiles, especially the student's current use of English and the reason for taking a one to one course; course planning; techniques which are specific to one to one teaching; techniques which do not work with one to one teaching; using the learner as the resource for teaching; together with the advantages of teaching students on a one to one basis. This book is packed with tried and tested suggestions for managing your students and your teaching time, on both a personal and pedagogical level, so that you can make the one-to-one teaching experience a rewarding and productive one.

A thorough overview of topics is given in the business review Provides a Text Bank and Resource Bank of photocopiable communication activities for classroom use The Business Brief section provides an overview of topics Test master CD-ROM included
