“My name is Harriet Manners, and I am a geek.” The first two hilarious novels in the award-winning GEEK GIRL series – now available as a 2-book collection.

“My name is Harriet Manners, and I am a geek.” A brand new summer story from the no. 1 bestselling and award-winning GEEK GIRL series!

National Book Award finalist Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family’s most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, Geek Love throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

The second sensational book in the Valentines series – a hilarious and heart-aching story about the impossible standards for being a girl.

You can make a geek a model, but you can't make her chic. More hilarity and high fashion await in the second book in the internationally bestselling Geek Girl series! Harriet Manners is a model—but she feels

even less popular and more awkward than she did when she was just a geek. So a summer modeling job in Japan sounds like the perfect vacation, even if she has to bring along her crazy grandma Bunty, and even if she might run into Nick, her gorgeous supermodel ex-boyfriend. No one is going to ruin Harriet's fabulous Tokyo adventure—unless she accidentally ruins it herself. . . . This sequel to Holly Smale's #1 bestselling debut novel, *Geek Girl*, is perfect for fans of Mag Cabot's *Princess Diaries* series and Louise Rennison's *Georgia Nicolson* series.

My name is Harriet Manners and I am a geek. Ages:12+Harriet Manners knows that a cat has 32 muscles in each ear, a jiffy lasts 1/100th of a second, and the average person laughs 15 times per day. She knows that bats always turn left when exiting a cave and that peanuts are one of the ingredients of dynamite. But she doesn't know why nobody at school seems to like her. So when Harriet is spotted by a top model agent, she grabs the chance to reinvent herself. Even if it means stealing her best friend's dream, incurring the wrath of her arch enemy Alexa, and repeatedly humiliating herself in front of impossibly handsome model Nick. Even if it means lying to the people she loves. Veering from one couture disaster to the next with the help of her overly enthusiastic father and her uber-geeky stalker, Toby, Harriet begins to realise that the world of fashion doesn't seem to like her any more than the real world did. As her old life starts to fall apart, will Harriet be able to transform herself before she ruins everything?

A volume based on the popular NPR radio series explores how communities come together through food, combining popular stories from the show with new interviews, photographs, and recipes from a wide array of atypical kitchens.

Growing up in a working-class neighbourhood in Copenhagen, Tove feels that her childhood is made for a completely different girl. As 'long, mysterious words begin to crawl across my soul', she comes to understand that she has a vocation that will define her life. Her path seems assured, but she has no idea of the struggles ahead - love affairs, wanted and unwanted pregnancies, artistic failure and destructive addiction. As the years go by, the central tension of Tove's life comes into painful focus- the terrible lure of dependency, in all its forms, and the possibility of living freely and fearlessly - as an artist on her own terms.

My name is Harriet Manners, and I am still a geek. Harriet has already had her modelling take her to Japan and New York - where will she end up next?
