Militant Islam provides a sociological framework for understanding the rise and character of recent Islamic militancy. It takes a systematic approach to the phenomenon and includes analysis of cases from around the world, comparisons with militancy in other religions, and their causes and consequences. The sociological concepts and theories examined in the book include those associated with social closure, social movements, nationalism, risk, fear and 'de-civilising'. These are applied within three main themes; characteristics of militant Islam, multi-layered causes and the consequences of militancy, in particular Western reactions

within the ‘war on terror’. Interrelationships between religious and secular behaviour, ‘terrorism’ and ‘counter-terrorism’, popular support and opposition are explored. Through the examination of examples from across Muslim societies and communities, the analysis challenges the popular tendency to concentrate upon ‘al-Qa’ida’ and the Middle East. This book will be of interest to students of Sociology, Political Science and International Relations, in particular those taking courses on Islam, religion, terrorism, political violence and related regional studies.

The book deals with dream interpretation, its correct rules and procedures, drills to help understand these rules, and a large glossary of interpreted dream symbols. This, we hope, fulfills important goals regarding sleep and dreams and eliminates a great

This book advances an Islamic political philosophy based on the concept of Ihsan, which means to do beautiful things. The author moves beyond the dominant model of Islamic governance advanced by modern day Islamists. The political philosophy of Ihsan privileges process over structure, deeds over identity, love over law and mercy and forgiveness over retribution. The work invites Muslims to move away from thinking about the form of Islamic government and to strive to create a self-critical society that defends national virtue and generates institutions and practices that provide good governance.

This book is a unique collection of alternative Muslim voices,

predominantly from Europe, who come from a variety of backgrounds - academia, theology, acting, activism - and who make a transformational contribution to the debate of the future of Islam and Muslims in the West.

The third plague pandemic claimed millions of lives in India, and raged with particular intensity in the Punjab province. By 1902, it had encroached within a few miles of the environs of Qadian. Twenty-two years earlier, the Promised Messiah, Mirza Ghulam Ahmad (as) of Qadian, had prophesied the outbreak of such a plague. He boldly proclaimed on the basis of the divine revelation that, as a sign of his truthfulness, God would safeguard Qadian — even though it lay directly in the path of this ravaging disease. The Promised Messiah (as) also pointed out that God had foretold in

previous holy scriptures that He would send a severe plague as a warning in the Latter Days, when the Promised Messiah would appear. In Defence Against the Plague, the Promised Messiah (as) reviews various proposals put forward to fight the bubonic plague, and then prescribes the true method for deliverance — that people should reform themselves and accept the Promised Messiah (as) commissioned by God.
