~~Guide — Merch Informer —~~

The Merch by Amazon team will be hand-selecting content creators who have sold the same amount of products as the number of the tier they are in. For example – to move up from the 10 tier, a content creator will need to sell at least 10 products from those they have created to move up to the 25 tier.

Your design is then available to buy printed on merchandise like T-Shirts on the Amazon marketplace. If somebody buys your design you earn a royalty payment and Amazon take care of the rest. So for every T-shirt you sold for a reasonable \$19.99 your royalty would be \$5.23. If you were selling just 3 per day that would be earning you \$109.83 per week. Some sellers are making hundreds of T-Shirt sales per day \$\$\$.

I originally purchased the Borderlands 2 Strategy Guide Limited Edition because it looked pretty, I loved the idea of having extra information about the game, and at under \$20 it was a steal. The guide has everything you might want from a guide, from information about every class, character, baddie and sidequest that is available.
