Help menu
command.

Oracle

Engineering

User's Guide

Engineering uses

File Type PDF

Oracle

the ENG: Require Revised Item New Revision to control new item revisions for each engineering change. If engineering changes always correspond to new item revisions, set this profile option to Yes.

File Type PDF

Oracle

Doing so will
force a new item
revision for all
revised items on
an ECO.

What Is ERP?

Enterprise

resource

planning (ERP)

refers to a type

of software that

organizations

use to manage

day-to-day

business

activities such

as accounting,

File Type PDF

Oracle

procurement,

project

management, risk

management and

compliance, and

supply chain

operations. A

complete ERP

suite also

includes

enterprise

performance

management,

software that
