~~Lady Gaga — Poker Face Lyrics | Genius Lyrics~~

Poker Face (in poker) An impassive facial expression cultivated to prevent other players from determining whether one's actions in the game are the result of a quality hand, or of bluffing. (Lady GaGa's song) similar expression used to prevent giving away one's motives, feelings, or situation.

~~Urban Dictionary: poker face~~

"Poker Face" is a song by American singer Lady Gaga from her debut studio album, The Fame (2008). It was released on September 26, 2008, as the album's second single. "Poker Face" is a synth-pop song in the key of G # minor, following in the footsteps of her previous single "Just Dance", but with a darker musical tone.

poker face A blank, emotionless expression that gives no indication of one's thoughts or intentions. Poker players use such an expression so as not to give their opponents any clues about which cards they are holding. I kept looking over to see if she was impressed, but she wore a poker face throughout the performance.

Poker face, poker face
Poker face, poker face
I won't tell you that I love you
Kiss or hug you
'Cause I'm bluffin' with my muffin
I'm not lying, I'm just stunnin'
With my love-glue-gunnin'
Just like a chick in the casino
Take your bank before I pay you out
I promise this, promise this
Check this hand 'cause I'm marvelous

~~POKER FACE — Lady Gaga — LETRAS.COM~~

Poker is any of a number of card games in which players wager over which hand is best according to that specific game's rules in ways similar to these rankings. Often using a standard deck, poker games vary in deck configuration, the number of cards in play, the number dealt face up or face down, and the number shared by all players, but all have rules which involve one or more rounds of betting.

~~Poker — Wikipedia~~

Poker Face is the sixth episode of the eighth season and the 154th overall episode of Grey's Anatomy.

"games"?clash head on. In both worlds, real risk means real money is made or lost in a heart beat, and neither camp is always rational with the risk it takes. As a result, business and financial professionals who want to use poker insights to improve their job performance will find this entertaining book a "must read." So will poker players searching for an edge in applying the insights of risk-takers on Wall Street.

In just a two-year span, Stefani Germanotta, a struggling performer in New York's Lower East Side burlesque scene, has become the global demographic-smashing pop icon known as Lady Gaga. She is a once-in-a-decade artist, a gifted singer, composer, designer, and performance artist who mixes high and low culture, the avant-garde with the accessible, authenticity with artifice. Who is Lady Gaga? She is a twenty-five-year-old woman whose stage mantra--"I'm a free bitch!"--is the polar opposite of who she is offstage: isolated, insecure, and unable to be alone. She is an outré artist who wanted to be a sensitive singer-songwriter. She is a woman who says no man can ever compete with her career, but who goes back and forth with the ex-boyfriend who said she was too ambitious. She claims not to care what people think, but spends her downtime online, reading what people have to say about her. She claims to be a con artist and utterly authentic. She is never less than compelling. Based on more than fifty original interviews with friends, employees, rivals, and music industry veterans, *Poker Face* is the first in-depth biography of the extraordinary cultural phenomenon that is Lady Gaga.

Valentine avait mis sur le compte de la disparition de son mari les soucis scolaires de son fils. Il apparaît qu'au contraire, il possède une intelligence de surdoué, et celle-ci va leur être bien utile dans l'enquête qu'ils vont être contraints de mener. En trafiquant les fioles, un mystérieux tueur a exécuté un patient de l'hôpital où Valentine travaille. Bientôt, d'autres règlements de compte macabres surviennent...

The outcome of card games rests heavily on luck, but poker is predominantly a game of skill — and a major part of that skill is the ability to read an opponent's body language while maintaining control over your own unspoken signals. Explains each stage of lying and bluffing: James — a top body-language guru and image consultant — lays down, step by step, how to disguise your hand and unmask bluffers. By identifying body language giveaways — from posture, facial expressions, to how players hold their cards and chips — and what they reveal, we learn how to hide our emotions and give off misleading cues. Identifies four main poker "personalities": Most players display the traits of one of four different personality groups that influence how they play poker. Their verbal interactions and body language give them away. For each personality, *Poker Face* reveals the key physical tells that expose bluffing and winning or losing hands.

“The intricacies of family and the complexities of the games they play mingle

wonderfully here in a memoir quite unlike any other.”—George Plimpton, author of Truman Capote
Katy Lederer grew up on the bucolic campus of an exclusive East Coast boarding school where her father taught English, her mother retreated into crosswords and scotch, and her much older siblings played “grown-up” games like gin rummy and chess. But Katy faced much more than the typical trials of childhood. Within the confines of the Lederer household an unlikely transformation was brewing, one that would turn this darkly intellectual and game-happy group into a family of professional gamblers. *Poker Face* is Katy Lederer’s perceptive account of her family’s lively history. From the long kitchen table where her mother played what seemed an endless game of solitaire, to the seedy New York bars where her brother first learned to play poker, to the glamorous Bellagio casino in Las Vegas, where her sister and brother wager hundreds of thousands of dollars a night at the tables, Lederer takes us on a tragicomic journey through a world where intelligence and deceit are used equally as currency. Not since Mary McCarthy’s *Memories of a Catholic Girlhood* has a writer cast such a witty and astringently analytic eye on the demands of growing up. An unflinching exploration of trust and betrayal, competition, suspicion, and unconventional familial love, *Poker Face* is a testament to the human spirit’s inventiveness when faced with unusually difficult odds.

Allie retired behind her pulled-down fringe and a poker face when her mother walked out leaving three children and their father in a remote house in Yorkshire.
