Understanding and Managing Political Risk

Sport Australia recognises that effective sports governance requires leadership, integrity and good judgment, through Sports Governance Principles.

Additionally, effective governance will ensure more effective decision making, with the organisation demonstrating transparency, accountability and responsibility in the activities undertaken and resources expended.

Governance | Sport Australia

Political environment could involve a risk to businesses, domestic and foreign. Such risk is called political risk. Political risk is that perception by the businesses that their interests will get deteriorated when certain political upheaval happens. Political risk
