People sometimes say that life doesn't come with a manual. But as you are about to discover, that is not necessarily true. Your decisive guide to personal development and marital bliss has arrived! Mordechai and Esther Fintz, authors of the popular books, *What Makes Our Life a Success* and the TLC series, present their insightful all-in-one handbook that features comprehensive ways to conduct your journey to personal and marital happiness, peace, and success. The authors demonstrate that only when you engage in self-improvement, your ultimate goal of leading a fulfilling life with your soulmate and family lies within reach. The book also offers valuable techniques for realizing your dreams, planning your wedding and honeymoon, and cultivating habits that will help you sustain a rock-solid romantic and marital relationship and overall family experience. Decades of happily married life have given the authors unique perspectives on the above topics, which they incorporate into their everyday lives and seek to share with their wide readership. Dive into the book's pages and discover your personal and marital happiness. Read the offered wisdom repeatedly

and adapt each lesson to your vision and lifestyle. The book will forever change you and your outlook on yourself, your soulmate, and life in general.

A practical guide to having a great marriage written by a marriage counselor.

This book contains practical tips collected from various sources. The tips are like tiny sparks that will light up your marriage and help you enjoy your marital bliss and fulfilment.

Although *The Total Man* is a humorous, yet practical parody of marital self-help guides, readers can still come to a better understanding of why marriages stagnate, and what it will take to build a better relationship. The book is also cathartic for women who have been led to believe that successful relationships depend on their ability to change by repeatedly pointing out how ridiculous this notion is.

You probably did not think that marriage needed to be worked on for happiness to prevail. In *EXTRAordinary marriage*, you'll find articles with practical tips to help your marital challenges and encourage you to mature from mere feelings of love to loving by decision. The searchlight beams on; celebrating your differences, understanding the differences between men and women, steps to marital bliss, sexual compatibility, give love-get submission, building self-confidence, parenting skills and taking responsibility for your happiness. When you aim at relating with your spouse according to their dynamic and unique nature; making an extra effort to express love would be a lot easier. This book has been written in an-easy-to-read format where every single unit is a complete lesson on its own. Reading it cover-to-cover will definitely provide answers to some of those questions you feel embarrassed to ask.

You're a faithful, Bible-believing Christian man. Years ago you felt a calling from God to marry and start a family, and you wed a bright, beautiful, loving, Godly woman to share your life with. What could go wrong? Plenty. Today your wife consistently treats you with derision and angrily contends with you over the smallest issues, then laments that you are emotionally distant and apathetic when you pull away. You've read all of the relationship books and done marriage counseling/pastoral counseling. You may have even engaged in a trial separation or two. Nothing has helped. You have not abandoned your wife, nor she you, and neither of you has committed adultery as of yet, so you don't consider divorce a viable option (although family and friends might be encouraging you to do it). You want to honor and obey God, however, by remaining in the marriage. But the temptations to end the struggle and emotional pain are strong. You are about ready to give up. Before you do, buy this book. For about the price of tall cup of an upscale premium cappuccino or café latté, you'll have a resource that might change your perceptions, expectations, and approaches with regard to your wife and the relationship you share. *Your Snake Has STRIPES! A Practical Guide for Marital Bliss With An Angry & Contentious Woman* is a concise, wry and irreverent self-help book for Christian husbands in emotionally difficult relationships with wives who are predisposed to anger, defensiveness, and conflict issues. Using the Appalachian expression "meaner than a striped snake" as the foundation of his central metaphor, author Edward X. Winston offers consolation to husbands of angry and contentious women and a healthy new way of reframing a man's interpretations of such behaviors.

Research shows that happily married persons live longer than the single ones. And couples in a happy marriage have a healthy constitution, mentally, emotionally and physically. Despite such facts, separations and divorces are rising every year. If happy

marriages ensure fulfillment and a sense of security, shouldn't couples be working towards strengthening their marriages? Research indicates that the most successful Indians around the globe have succeeded because of strong family values and support systems. This book gives the readers practical guidelines on how to: Overcome daily hurdles and live in peace and harmony. Avoid pitfalls that appear at various stages of married life. Married and unmarried couples of all ages must read this book to ensure peace, stability and harmony in their relationship.

Based on Mark Gungor's wildly popular seminar, *Laugh Your Way to a Better Marriage®* builds on Gungor's success with tens of thousands of couples who credit him with enriching, and even saving, their marriages. By using his unique blend of humor and tell-it-like-it-is honesty, he helps couples get along and have fun doing it. Through exploring a variety of subjects including the myth of a "soul mate," the different ways men and women think, the conflicting levels of libido, and the necessity to forgive, Gungor proves that the key to marital bliss is not romance or destiny -- it's work and skill. Couples need to work hard at maintaining their relationship and to have the skills to pull it off. The longer spouses wait to learn these skills, the greater their chance of wanting to bail, yet Gungor makes it easy for couples to bring their relationship to the next level.

FREE LIMITED TIME BONUS INSIDE: THE HAPPY MARRIAGE STARTER KIT Are you longing for more affection and excitement in your marriage but don't know where to start? Do you and your spouse share the same bed but lay what feels like miles apart? Are you tired of the monotony, the dull conversations, the absence of romance and lack of intimacy?
