What makes a person or a home hospitable? Does hospitality call for a beautifully decorated home and a menu filled with gourmet foods, or can it be as simple as offering a friend a cup of tea? In *Practicing Hospitality* two longtime professors (and practitioners!) of home economics provide both the theological base and the practical knowledge to understand and implement God's plan for hospitality. They provide a blend of theologically sound content, real-life illustrations, and practical application. They focus on developing both the Christian character and practical skills so the act of hospitality is a joy for the host and hostess and a source of encouragement for the guest. Each chapter concludes with recipes and projects that provide readers with an opportunity to personally apply the book's content. Anyone seeking to grow in their knowledge of biblical hospitality will be richly rewarded by the biblical teaching and practical suggestions in this book.

This practical resource defines biblical hospitality and illustrates how all believers can practice hospitality from a biblical perspective.

How does one live out being a 'wise woman?' This guide gives feet to the life-changing message of *Becoming a Woman Who Pleases God*. The authors have included practical ideas for personal growth based on Scripture's instruction to 'be wise'. This guide will challenge women to delve deep into the wonders and blessings of being a woman who pleases God.

There is an enormous amount of confusion and deception about what it means to be a woman. Even within the church, women are continually struggling to define their femininity. Pat Ennis and Lisa Tatlock tackle the difficult question of 'What makes a godly woman?' with warmth, compassion, and directness in *Becoming a Woman Who Pleases God*. Readers will find themselves challenged to re-think their priorities, re-examine the position of the home, and re-work their definition of what it means to be a woman in whom God is well pleased.

The ultimate guide to Christian homemaking advises readers on everything from meal planning to interior decorating, biblical womanhood to budgeting, serving as a comprehensive handbook for the woman and her home.

What did God use to draw a radical, committed unbeliever to himself? Did God take her to an evangelistic rally? Or, since she had her doctorate in literature, did he use something in print? No, God used an invitation to dinner in a modest home, from a humble couple who lived out the gospel daily, simply, and authentically. With this story of her conversion as a backdrop, Rosaria Butterfield invites us into her home to show us how God can use this same "radical, ordinary hospitality" to bring the gospel to our lost friends and neighbors. Such hospitality sees our homes as not our own, but as God's tools for the furtherance of his kingdom as we welcome those who look, think, believe, and act differently from us into our everyday, sometimes messy lives—helping them see what true Christian faith really looks like.

Women of the twenty-first century are faced with a myriad of issues. *God Is My Strength* calls upon the Word of God to carefully answer 50 vital questions that every woman is facing today.

Written as a follow-up to *Not Just a Soup Kitchen*, David Apple's *Neighborology* provides a blueprint for how churches and servant leaders of every ministry can be neighborly helpers. Apple provides insight into developing the heart of a servant by modeling the compassion of Jesus Christ and presenting practical instruction and invaluable resources. This book is a must-read for servants of today and tomorrow.

What is true beauty? Whether it's age-defying makeup or the latest diet fad, our culture continually tells women that beauty consists of flawless skin and a supermodel figure. In *True Beauty*, Carolyn Mahaney and her daughter Nicole Whitacre direct us to the truth of God's Word, where we encounter an entirely different—and refreshingly liberating—standard of beauty. Offering a path to freedom from the false idols that society, the Devil, and our sinful hearts so often create, this encouraging book will help you exchange the temporary glamour of pop culture for the unfading beauty of godliness. Includes a discussion guide.

In the heart of every woman is a longing to be deeply loved and treasured by another. While this is never fulfilled perfectly in our earthly

relationships, believers are promised that heaven is a place of eternal joy with Jesus Himself, who has chosen his cherished Bride. In this ten-lesson study, women will grow to understand how human wedding traditions symbolize the ultimate marriage of Christ—the Bridegroom—and His beloved church. Through images of ancient wedding customs as women of the Bible would have celebrated them, the authors point out spiritual significance for today. Contemporary wedding stories further illustrate the promise of eternal life. As a woman prepares herself for the Bridegroom, she begins to discover an intimacy with Him greater than she ever imagined.
