Value your Kid's Choices. One of the most important steps on the road to learning how to raise a respectful child is, as a parent to ensure that you raise your child into a human being that's humble, honest, respectful and has all the good qualities is to make him feel valued when he's young. He might still be your little baby, but he's actually growing up and discovering his identity, and when he feels valued and respected, he'll effortlessly learn to give others the same.

Strengthening our connection takes more effort and patience when our children are young but it means we'll have fewer battles when they're older. Here are five ways to break the cycle of disrespect. 1. WALK THE WALK. Encourage children to use manners by modelling the behaviour rather than prompting them to say please and thank you. Kids learn more from what you do than what you say, so use it to your advantage – they'll imitate your behaviour in their own time.
