The sky raiders are scroungers, eking out a living on the edges of a very strange world. Much more interesting than just reading about kings and queens. How did you go about developing the economy and the society? Mull: Some people think of fantasy as nonsense where anything can happen, but I've never seen it that way.

Parents need to know that Sky Raiders is the first book in the Five Kingdoms series from fantasy author Brandon Mull, who developed a big fan base from his Fablehaven and Beyonders series. If kids have already read some of Mull's books, they'll find the start of this series less violent and just a little less complex than Beyonders.

Sky Raiders: Five Kingdoms, Book 1 Book Review

Cole is sent to work as a Sky Raider, where his mission is to steal valuables from floating castles. This dangerous work helps him forge new friendships with young people who possess special powers. One of these friends is a princess in hiding, and Cole must help her overthrow her father, the evil King, as a way to establish order and help his friends escape slavery.

Sky Raiders is a really great book. It's full of amazing characters and has an extremely creative world. I love this book because the outskirts is such an original idea. I didn't like the beginning as much as the rest of the book, because there was a gross part, but I'm so glad that I kept reading!
