The bravest soldiers. The toughest warriors. The ultimate survivors. Among the stars and across the vast expanses of space, the Galactic Civil War rages. On the battlefields of multiple worlds in the Mid Rim, legions of ruthless stormtroopers bent on crushing resistance to the Empire wherever it arises are waging close and brutal combat against an armada of freedom fighters. savage flesh-and-blood realities of war on the ground. Leading the charge are the soldiers—men and women, human and nonhuman—of the Sixty-First Mobile Infantry, better known as Twilight Company. Hard-bitten, war-weary, and ferociously loyal to one another, the members of this renegade outfit doggedly survive where others perish, and defiance is their most powerful weapon against the deadliest odds. When orders come down for the rebels to fall back in the face of superior opposition numbers and firepower, Twilight reluctantly complies. Then an unlikely ally radically changes the strategic equation—and gives the Alliance's hardest-fighting warriors a crucial chance to turn retreat into resurgence. Orders or not, alone and outgunned but unbowed, Twilight Company locks, loads, and prepares to make its boldest maneuver—trading down-and-dirty battle in

the trenches for a game-changing strike at the ultimate target: the very heart of the Empire's military machine.

It is three years after the events of Uncharted 3 and Nathan Drake, the world's most famous hunter of treasure, has hung up his boots and left that work behind him. However, the sudden appearance of his brother, Samuel Drake, has made that calling for adventure come back in full force, as he needs Nathan's help to save his own life. They are on the hunt for Captain Henry Avery's long-lost treasure, bringing them to many exotic locations wrought with danger, in another exciting entry in the Uncharted franchise. The guide includes:

- A complete and detailed walkthrough of the main story.
- Locations for all of the game's collectibles.
