The European Union (EU) has expanded a number of times throughout its history by way of the accession of new member states to the Union. To join the EU, a state needs to fulfil economic and political conditions called the Copenhagen criteria (after the Copenhagen summit in June 1993), which require a stable democratic government that respects the rule of law, and its corresponding freedoms and institutions.

Human Rights is destined to be a landmark in European legal history because it will finally make it possible for individuals and undertakings to apply to the European Court of Human Rights for review of the acts of European Union institutions, which unquestionably play an increasingly important role in our daily lives. After nearly three years of negotiations, a draft agreement on European Union accession was adopted on 5 April 2013. In the light of the draft agreement, this publication offers a concise analysis of the reasons for European Union accession to the Convention, the means by which this is to be achieved and the effects it will have.

After more than 30 years of discussion, negotiations between the Council of Europe and the European Union on the EU's accession to the European Convention on Human Rights have resulted in a Draft Accession Agreement. This will allow the EU to accede to the Convention within the next couple of years. As a consequence, the Union will become subject to the external judicial supervision of an international treaty regime. Individuals will also be entitled to submit applications against the Union, alleging that their fundamental rights have been violated by legal acts rooted in EU law, directly to the Strasbourg Court. As the first comprehensive monograph on this topic, this book examines the concerns for the EU's legal system

Human Rights And The Question of whether and how accession and the system of human rights protection under the Convention can be effectively reconciled with the autonomy of EU law. It also takes into account how this objective can be attained without jeopardising the current system of individual human rights protection under the Convention. The main chapters deal with the legal status and rank of the Convention and the Accession Agreement within Union law after accession; the external review of EU law by Strasbourg and the potential subordination of the Luxembourg Court; the future of individual applications and the so-called co-respondent mechanism; the legal arrangement of inter-party

cases after accession and the presumable clash of jurisdictions between Strasbourg and Luxembourg; and the interplay between the Convention's subsidiarity principle (the exhaustion of local remedies) and the prior involvement of the Luxembourg Court in EU-related cases. The analysis presented in this book comes at a crucial point in the history of European human rights law, offering a holistic and detailed enquiry into the EU's accession to the ECHR and how this move can be reconciled with the autonomy of EU law.

protection established by the ECHR.

Article 6 of the Treaty on European Union (TEU) provides that the EU will accede to the system of human rights protection of the European Convention on Human Rights (ECHR). Protocol No 9 in the Treaty of Lisbon opens the way for accession. This represents a major change in the relationship between two organisations that have co-operated closely in the past, though the ECHR has hitherto exercised only an indirect constitutional control over the EU legal order through scrutiny of EU Member States. The accession of the EU to the ECHR is expected to put an end to the informal dialogue, and allegedly also competition between the two regimes in Europe and to establish formal (both normative and

institutional) hierarchies. In this new era, some old problems will be solved and new ones will appear. Questions of autonomy and independence, of attribution and allocation of responsibility, of cooperation, and legal pluralism will all arise, with consequences for the protection of human rights in Europe. This book seeks to understand how relations between the two organisations are likely to evolve after accession, and whether this new model will bring more coherence in European human rights protection. The book analyses from several different, yet interconnected, points of view and relevant practice the draft Accession Agreement, shedding light on future developments in the ECHR and beyond.

Read Book The Accession Of The European Union To The European Convention On

Contributions in the book span classic public international law, EU law and the law of the ECHR, and are written by a mix of legal and non-legal experts from academia and practice.

The Lisbon Treaty clearly expresses that the EU should accede to the European Convention on Human Rights and Fundamental Freedoms (ECHR). Nonetheless, the Court of Justice ruled, quite unexpectedly, in December 2014, that the draft agreement on the accession is not compatible with EU law. In this report, the author sheds light on the

Court's opinion and addresses the question of what happens now. The publication is a part of the SIEPS research project The constitutional development of the European Union.

EU enlargement and the accession of the candidate states will involve major constitutional changes. This publication contains the reports presented at a seminar organised by the European Commission for Democracy through Law, held in November 2001. It examines the constitutional challenges which the candidate states face and the EU's approach to them; and also includes a study of Turkey's relationship with the EU and the implications for Turkish constitutional

This book examines the politics of EU accession; by assessing the experiences of the newly-democratised and acceded Czech Republic, Hungary, Poland and Slovakia, and the challenges that Turkey faces.

Since its formation the European Union has expanded beyond all expectations, and this expansion seems set to continue as more countries seek accession and the scope of EU law expands, touching more and more aspects of its citizens' lives. The EU has never been stronger and yet it now appears to be reaching a crisis point, beset on all sides by conflict and

Human Rights. Nationalist sentiment is a challenge to its legitimacy. The rise of the Eurozone crisis has had a deep and lasting impact. EU law, always controversial, continues to perplex, not least because it remains difficult to analyse. What is the EU? An international organization, or a federation? Should its legal concepts be measured against national standards, or another norm? The Oxford Handbook of European Union Law illuminates the richness and complexity of the debates surrounding the law and policies of the EU. Comprising eight sections, it examines how we are to conceptualize EU law; the architecture of EU law; making and administering EU law; the economic constitution and the citizen; regulation of the market
