Boston Globe From the Trade Paperback edition.

Anna Sabino is an artist, but certainly not a starving one. She wasn't born into a wealthy family, didn't inherit money from a distant relative, and doesn't have a rich husband. But she made it as an entrepreneur, as a single woman, and most importantly, as an artist. In *Your Creative Career*, she shows her fellow artists and creatives how to build a business that reflects their talent and true calling while generating serious cash. Whether the goal is to build an empire and be financially free, create a lifestyle business, or just to have more time, *Your Creative Career* guides you through every aspect of creative entrepreneurship. If you want to start your creative career, transition into it, or give it a boost, this book is a must read that features: Proven systems and strategies to create ideally priced products that keep selling. The importance of going through all the steps of making it from idea inception and execution to branding and distribution. The importance of transitioning from artistic solitude to collaborative, creative entrepreneurship. The most effective marketing and PR methods adjusted to the new reality of short attention spans and information overload.

Dr. Ronda Ormont has written a comprehensive guide to finding a career that can both feed your wallet and fuel your personal creative endeavors. Included are real-life profiles, sample forms and worksheets, and essential steps to: * Learn what fields of work compliment your personality * Allocate time and energy for your own artistic pursuits * Overcome fears of change * Write resumes and interview for potential jobs * Explore self-employment options * Restructure your current career position to suit your creative needs

If there's no stability in the corporate world, why not do what you love? *Creative Girl* shows women how to turn their talents into a money-making career smartly. Whether readers are just tapping into their creativity and want to see where it takes them, or if they're already making a creative living and know it's time to grab hold of the next level of success, this book has specific advice for women at varying stages. Author Katharine Sise has certainly walked the walk of a creative entrepreneur, as she created her own jewelry line that has won the praise of celebrities and the fashion world. Here she provides ideas for sparking one's creative talent (through meditating and journaling), and narrowing down what career lifestyle is right for each reader. She also shares insider tips on the realities of navigating a creative career and handling a business such as how to brand yourself and how to build a platform and garner publicity. Katharine debunks the myth of the "starving artist" and shows how one can turn inspiration into a profitable livelihood.

The most innovative, unconventional, and profoundly practical career guide available--newly revised and updated With today's economic uncertainties, millions of Americans realize they must seize control over their own career paths. They want work that not only pays the bills but also allows them to pursue their real passions. In this revised edition, Laurence Boldt updates and revises his revolutionary guide to meet the challenges of the twenty-first century workplace. The first part of this book helps readers to identify the work that they really want to do, while the second provides practical, active steps to finding or creating that work. *Zen and the Art of Making a Living* goes beyond inspiration, providing a proven formula for bringing creativity, dignity, and meaning to every aspect of the work experience.

Do you have a passion for making beautiful objects? Are you wondering whether you can take the next step and turn your creativity into a career? This inspirational guide offers easy-to-follow advice from talented and creative industry experts. There are practical exercises that will help you sell your creations, choose the right time to start your business, and guide you through as you do so. With *The Creative's Guide to Starting a Business*, you will discover the best way to: Create pieces that sell Write a business plan Identify and reach customers Research the competition Price products and test the market Promote the business successfully Packed with interviews, encouraging real life stories, and tips from successful entrepreneurs who started with a passion and turned it into their own successful, creative business, this practical guide will take you through the very first steps of defining creative and financial success to ultimately establishing a rewarding start-up.

You were born creative, because you are the creation of the Creator, as we all are. If you don't feel that way or your artistic endeavors haven't worked out, this book can help you. Doreen Virtue, the beloved author of over 50 best-selling books and more than 100 card decks, audio-video programs, and other creative products, shows you how to gain more than a dozen forms of courage that lead to creativity - including an unshakable belief in yourself and dedication to seeing your sacred ideas and dreams through to fruition. In these pages, Doreen reveals the secrets behind her own incredibly prolific creative output, details what guides her writing process, and offers an unprecedented window into what it really looks like to be self-employed in the creative arts. In addition, each chapter features useful tips to lead you to discover your natural talents as a writer or artist and in other creative vocations or avocations. Doreen also includes summaries of fascinating psychological studies that showcase how to become a successful and satisfied creative individual. Filled with real-world advice, scientific research on creativity, and true stories, *The Courage to Be Creative* both lays bare the divinely guided path to 'birthing' a creative work and charts the earthly path to jump-starting your creative career (including confidently navigating the labyrinth of literary and creative agencies, publishers, marketing outlets, and much more). This extraordinary book merges the spiritual with the practical, demonstrating how to courageously harness your innate gifts for purposeful artistic pursuits and lasting fulfillment - creatively, personally, and professionally, as well as financially - and leave your unique mark on the world.

There has been a paradigm shift as to how professional knowledge is passed on. It no longer happens naturally through traditional corporate grooming and succession rituals. With less time, lower budgets, and more uncertainty, traditional mentorship models don't work in today's economy. The recent dramatic upheaval in the professional landscape has radically altered how 21st century professionals can most effectively cultivate career success. Creative Mentorship brings the most advanced mentoring methods out of the Fortune 500 boardroom and into your classroom, conference room, or even your living room, giving everyone access to groundbreaking and innovative mentoring methods utilized by today's most powerful and influential professionals. Mary Pender Greene draws upon more than 20 years of experience as a therapist, career coach, and successful executive to codify her personal system for career development, the Virtual Personal Board of Directors (VPBOD). Creative Mentorship features engaging exercises and worksheets as well as practical methods and strategies that will transform the way you approach career development. Creative Mentorship guides you, step-by-step, through the process of building your own Virtual Personal Board of Directors. Creative Mentorship will show you how to select specialized mentors who will accompany and assist you on your path to career success. A toolbox of tactics, strategies, and rules of engagement will ensure that you fully assimilate the VPBOD networking strategy, learn how to best leverage its innovative tactics, and ultimately integrate this revolutionary mentoring methodology into every aspect of your professional life. Creative Mentorship will enable you to achieve your most ambitious dreams and make your ultimate professional goals a reality.

A practical and friendly guide to taming your chaos written specifically for creative people by the bestselling author of *Banish Clutter Forever*. "Sheila gave me the tools to hunt success, and the infrastructure to handle it when it came." Stik, world renowned street artist and author Most of the conventional "productivity" advice you'll find in the "soft business" section simply does not work for creative people. Surprisingly, to date there has not been a single book that addresses the unique organizational challenges that artists face. This book sets out to change that, it addresses the myth that truly creative people are messy and that they need mess in order to create. Sheila Chandra applies her professional insights as a "creative" and organizing expert to the lives of other busy creative people in all disciplines - showing them how good organization can liberate their creative "magical". She begins with artists' physical spaces, including arranging their workspaces and offices so that they remain tidy effortlessly. Her career "headspace" chapters cover: - creative well-being, including artist support systems - career well-being, including networking and collaborations - self-promotion and how to avoid working for free - making social media pay - personal branding, career planning and goals - how to manage copyright issues and legal paperwork - legacy management And all from an artist's point of view. These fool-proof, tried and tested systems are mixed with creativity tips and artist well-being advice that only one artist knows to give another. Written with real affection for the reader, Sheila Chandra takes the creative person by the hand and puts them on the path to success.
