11.05pm, Channel 4 Another chance to watch the entire first season of the cult sketch comedy show starring Fiona Allen, Doon Mackichan and Sally Phillips, running until 2.30am.

Coco was a "dope boy's girlfriend." She had no ambition, morals, or standards. She was a loud-mouth, gold-teeth having, blond weave wearing, six-inch heels, and fingernail swinging woman. Her passion for life and becoming a better person and mother for her child was nonexistent. Coco lived life to the fullest every single day, seven days a week. Once her man goes to jail and the money runs out; the friends she thought she had along with his business partners are no longer there. Coco is forced to have an epiphany about life. She soon learns that depending on a man was never cute or acceptable. Five years later, Chanel formally known in the hood as "Coco" is climbing her way to the top of the corporate ladder. Her past life is behind her and she is enjoying her new surroundings, friends, and lifestyle. No, she isn't wearing Gucci and Prada again but she's comfortable in her new threads. The first man she ever loved and gave her heart too has been released from Federal Prison. The only thing on his mind is Coco. Coco no longer exists and no matter how much Chanel wants to put that life behind her, love has a stronghold on her like she's never thought. When he asks her to handle something very important for him and she has to risk her new life in order to complete the mission, Chanel doesn't know what to do. She soon realizes that she struggled her whole life for no reason. Chanel goes on a journey to put the pieces of her puzzle together. In doing so; she finds out that her name holds weight in the underground world. Chanel goes from the block, to the boardroom, and back to the block. She seeks revenge and the truth. Take a wild ride into the corporate life of Chanel Cavette. She was the female you thought you already knew but you're in for a rude awakening.

Farren Knight isn't the same loving and caring woman we all have grown to love- in fact her heart has been filled with bitterness and anger. Farren skates her way to the top of The Cartel with only one mission on her mind- KILL. There is one person whose blood she wants on her hands, and it's not who you think it is... In The Connect's Wife V, be prepared to go through a plethora of emotions as this epic journey comes to an end.

## Get Free The Chanel Cavette Story From The Boardroom To The Block

In the finale of *The Connect's Wife*, Farren Knight has traveled back to the states to get all of her questions answered in regards to her dealings with The Cartel. Nightmares haunt her of her "death" and the loss of her loved ones. Farren struggles to regain peace and joy. Her younger sister, Chanel Cavett is enjoying being in the presence of Farren Knight. Farren takes Chanel under her wing & grooms her to become a woman full of grace and confidence but more importantly, power. But of course *The Connect's Wife 6* wouldn't be complete if people such as Mario, Q and even Ms. Nakia didn't make an appearance. Farren is seeking revenge for the assassination of her estranged husband, Christian Knight. Farren isn't well enough to hunt people down like she used to so she asks for Chanel's help. Chanel steps up to the plate and delivers the throne back to Farren but does Farren even want to be apart of The Cartel anymore? Was Farren's disappearance respected amongst The Cartel? Will Greg do everything in his power to make sure Farren doesn't make it to the annual Roundtable. In *The Connect's Wife 6*, join Farren Knight as she solves the mystery behind the death of her daughter, Carren, learn more about her mother and find love with a new or old flame.

Yara Moreland was a complex woman, full of mystery, compassion and way too much love. She would do anything for her husband, including going to jail for ten years. When she's released things aren't the same and she's left confused and wondering whose to blame. Kamala Crawford is madly in love with Kadeem, she's counting down the days that his wife is released from prison so that he can divorce her and they can get married and live happily ever after. Kadeem Moreland mind is somewhere lost in the jungle, he fails miserably at being a father to his three children, leaving them in the care of his mother. Is *She The Reason* gives you perspective from everyone included in this love triangle. Will karma keep Kamala's wishes from coming true? Will Yara seek revenge on her husband? Or will she realize that their love was never real to begin with? National Best-Selling Author Nako is back with a spell-binding novel that captures the attention and hearts of her readers. Author's Note: *Is She The Reason* is a full-length standalone. Characters were previously mentioned in *Giselle: Creme De La Creme*, however you do not have to read the story to enjoy *Is She The Reason*.

In *Chanel: An Intimate Life*, acclaimed biographer Lisa Chaney tells the controversial story of the fashion icon who starred in her tumultuous era. Coco Chanel was many things to many people. Raised in emotional and financial poverty, she became one of the defining figures of the twentieth century. She was mistress to aristocrats, artists and spies. She broke rules of style and decorum, seducing both men and women, yet in her work expected the highest standards. She took a 'plaything' and turned it into a global industry which defined the modern woman. Filled with new insights and thrilling discoveries, Lisa Chaney's *Chanel* provides the most defining and provocative portrait yet. 'Chaney's research is laudable, uncovering fresh details of Chanel's well-trodden rag trade to riches story' *Evening Standard* 'An unflinching examination of the historically inscrutable designer' *Vogue* Lisa Chaney has lectured and tutored in the history of art and literature, made TV and radio broadcasts on the history of culture, and reviewed and written for journals and newspapers, including *The SundayTimes*, *the Spectator* and *the Guardian*. She is the author of two previous biographies: *Elizabeth David* and *Hide-and-Seek With Angels: The Life of J.M. Barrie*.

Nia Hudson, fashion powerhouse and philanthropist, swore that love wasn't for her, because she was too busy chasing after her dreams. The quiet girl from Brooklyn refused to go back to the projects. Being raised by her selfish aunt was the push she needed to run far away and never return. But when a blast from the past resurfaces and refuses to take no for an answer, Nia decides to give him one hour of her time. Surprisingly, one hour turns into a week, a week turns into months, and before she knows it, the two have become a couple. Together, East and Nia don't paint the perfect picture. They have nothing in common, and in fact, he's the complete opposite of everything she stands for. He's dangerous, thrilling, edgy, and secretive. East is definitely living life in the fast lane, selling everything he can get his hands on, and not knowing when the Feds--or friends disguised as enemies--might come after him. When what was supposed to be a fun date night opens Pandora's box, Nia is left feeling betrayed. In this suspenseful and romantic series from Nako, love has been put to the ultimate test. Can the past be forgiven?

In *DRINKING IN AMERICA*, bestselling author Susan Cheever chronicles our national love affair with liquor, taking a long, thoughtful look at the way alcohol has changed our nation's history. This is the often-overlooked story of how alcohol has shaped American events and the American character from the seventeenth to the twentieth century. Seen through the lens of alcoholism, American history takes on a vibrancy and a tragedy missing from many earlier accounts. From the drunkenness of the Pilgrims to Prohibition hijinks, drinking has always been a cherished American custom: a way to celebrate and a way to grieve and a way to take the edge off. At many pivotal points in our history--the illegal Mayflower landing at Cape Cod, the enslavement of African Americans, the McCarthy witch hunts, and the Kennedy assassination, to name only a few--alcohol has acted as a catalyst. Some nations drink more than we do, some drink less, but no other nation has been the drunkest in the world as America was in the 1830s only to outlaw drinking entirely a hundred years later. Both a lively history and an unflinching cultural investigation, *DRINKING IN AMERICA* unveils the volatile ambivalence within one nation's tumultuous affair with alcohol.

Avon the snail decides to become a writer with the help of his friend Edward the ant, which leads them into a series of adventures involving close encounters with an anteater, a crow, a tree frog, and a hungry fish.

The boots a passenger had on when his plane landed on the Hudson River. The tank top Andy Warhol's assistant wore to one of their nightclub outings together. The jacket a taxi driver put on to feel safe as he worked the night shift. These and over sixty other clothing-inspired narratives make up *Worn in New York*, the latest volume from New York Times bestselling author Emily Spivack. In these first-person accounts, contributors in and out of the public eye share surprising, personal, wild, poignant, and funny stories behind a piece of clothing that reminds them of a significant moment of their New York lives. *Worn in New York* offers a contemporary cultural history of the city's changing identity, temper, and tone, and its irrepressible vitality by paying tribute to these well-loved clothes and the people who wore them. Includes contributions from: Adam Horovitz Amy Heckerling Andre Royo Anna Sui Aubrey Plaza Catherine Opie Coco Rocha Dick Cavett Eileen Myles Fab 5 Freddy Gay Talese Genesis Breyer P-Orridge JD Samson Jenji Kohan Jenna Lyons Kyp Malone Lena Dunham Pee Wee Kirkland Thelma Golden Timothy Greenfield-Sanders
