Driven mad by an office job, Lise flies south on holiday – in search of passionate adventure and sex. In this metaphysical shocker, infinity and eternity attend Lise's last terrible day in the unnamed southern city that is her final destination.

"Long ago in 1945 all the nice people in England were poor, allowing for exceptions," begins *The Girls of Slender Means*, Dame Muriel Spark's tragic and rapier-witted portrait of a London ladies' hostel just emerging from the shadow of World War II. Like the *May of Teck Club* itself—"three

Get Free The Drivers Seat New Directions Paperbook

times window shattered since 1940 but never directly hit"—its lady inhabitants do their best to act as if the world were back to normal: practicing elocution, and jostling over suitors and a single Schiaparelli gown. The novel's harrowing ending reveals that the girls' giddy literary and amorous peregrinations are hiding some tragically painful war wounds. Chosen by Anthony Burgess as one of the Best Modern Novels in the Sunday Times of London, *The Girls of Slender Means* is a taut and eerily perfect novel by an author The New York Times has called "one of this century's finest creators of

Get Free The Drivers Seat New Directions Paperbook

comic-metaphysical
entertainment."

Household servants and accidental guests must wait out the orders of the lords of the house: not to disturb. A winter's night; a luxurious mansion near Geneva; a lucrative scandal. The first to arrive is the secretary dressed in furs with a bundle of cash, then the Baron, and finally the Baroness. They lock themselves in the library with specific instructions not to be disturbed for any reason. Soon, shouts and screams emerge from the library; the Baron's lunatic brother starts madly howling

Get Free The Drivers Seat New Directions Paperbook

in the attic; two of the secretary's friends are left waiting in a car; a reverend's services are needed for an impromptu wedding—and despite all that the servants obey their orders as they pass the time playing records, preparing dinner, and documenting false testimonies while a twisted murder plot unfolds upstairs.

Where does art start or reality end? Happily loitering about London, c. 1949, with the intent of gathering material for her writing, Fleur Talbot finds a job “on the grubby edge of the literary world” at the

Get Free The Drivers Seat New Directions Paperbook

very peculiar
Autobiographical
Association. Mad egomaniacs
writing their memoirs in
advance – or poor fools
ensnared by a blackmailer?
When the association's
pompous director steals
Fleur's manuscript, fiction
begins to appropriate life.

Four brand new tales are now
added to New Directions'
original 1997 cloth edition
of *Open to the Public*. This
new and complete paperback
edition now contains every
one of her forty-one
marvelous stories, catnip
for all Spark fans. All the
Stories of Muriel Spark
spans Dame Muriel Spark's

Get Free The Drivers Seat New Directions Paperbook

entire career to date and displays all her signature stealth, originality, beauty, elegance, wit, and shock value. No writer commands so exhilarating a style playful and rigorous, cheerful and venomous, hilariously acute and coolly supernatural. Ranging from South Africa to the West End, her dazzling stories feature hanging judges, fortune-tellers, shy girls, psychiatrists, dress designers, pensive ghosts, imaginary chauffeurs, and persistent guests. Regarding one story ("The Portobello Road"), Stephen Schiff said in *The New Yorker*: "Muriel Spark has written some of

Get Free The Drivers Seat New Directions Paperbook

the best sentences in English. For instance: 'He looked as if he would murder me, and he did.' It's a nasty piece of work, that sentence."

Muriel Spark's bracingly salty memoir is a no-holds-barred trip through an extraordinary writer's life.

In Muriel Spark's fantastic first novel, the only things that aren't ambiguous are her matchless originality and glittering wit. Caroline Rose is plagued by the tapping of typewriter keys and the strange, detached narration of her every thought and action. She has

Get Free The Drivers Seat New Directions Paperbook

an unusual problem - she realises she is in a novel. Her fellow characters are also possibly deluded: Laurence, her former lover, finds diamonds in a loaf of bread - could his elderly grandmother really be a smuggler? And Baron Stock, her bookseller friend, believes he is on the trail of England's leading Satanist.

On a once burgeoning, highly cultured human colony laid waste by a plague, a handful of survivors struggles against a sexually seething artificial intelligence that has taken control of their minds. By the author of

Get Free The Drivers Seat New Directions Paperbook

Cybernetic Jungle.

In *Aiding and Abetting*, the doyenne of literary satire has written a wickedly amusing and subversive novel around the true-crime case of one of England's most notorious uppercrust scoundrels and the "aiders and abettors" who kept him on the loose. When Lord Lucan walks into psychiatrist Hildegard Wolf's Paris office, there is one problem: she already has a patient who says he's Lucan, the fugitive murderer who bludgeoned his children's nanny in a botched attempt to kill his wife. As Dr. Wolf sets about

Get Free The Drivers Seat New Directions Paperbook

deciding which of her patients, if either, is the real Lucan, she finds herself in a fierce battle of wills and an exciting chase across Europe. For someone is deceiving someone, and it may be the good doctor, who, despite her unorthodox therapeutic method (she talks mainly about her own life), has a sinister past, too.

Exhibiting Muriel Spark's boundless imagination and biting wit, *Aiding and Abetting* is a brisk, clever, and deliciously entertaining tale by one of Britain's greatest living novelists.

Available at last are all

Get Free The Drivers Seat New Directions Paperbook

the poems by one of the twentieth century's greatest British writers, Dame Muriel Spark: "a true literary artist, acerbic and exhilarating" (London Evening Standard). In the seventy-three poems collected here Muriel Spark works in open forms as well as villanelles, rondels, epigrams, and even the tour de force of a twenty-one page ballad. She also shows herself a master of unforgettable short poems. Before attaining fame as a novelist (*Memento Mori*, *The Prime of Miss Jean Brodie*), Muriel Spark was already an acclaimed poet. The "power and control" of her poetry,

Get Free The Drivers Seat New Directions Paperbook

as Publishers Weekly remarked, "is almost startling." With the vitality and wit typical of all her work, Dame Muriel has never stopped writing poems, which frequently appear in The New Yorker. As with all her creations, the poems show Spark to be "astonishingly talented and truly inimitable" (The San Francisco Chronicle).
