Tomorrow & Yesterday by : Amazon.co.uk: Music

Today, Tomorrow, and Yesterday is a new piano ? composition by composer Peter Sahaidachny. In this work, he advances the use of fluid rhythmic patterns, which can be visualized in the score through the creative use of composite rhythmic meters. While seemingly complex on the page, the auditory interpretation is more organic sounding.

Yesterday/Tomorrow Records is a label dedicated to the classical side of ambient and the ambient side of classical music. With this label, we try to connect the old music with the future of music. Basically our aim is to show that ambient is not only a new music born from the techno culture of our days but more a sound which was there from the beginning.
