The New Cambridge Companion to St Paul provides an invaluable entryway into the study of Paul and his letters. Composed of sixteen essays by an international team of scholars, it explores some of the key issues in the current study of his dynamic and demanding theological discourse. The volume first examines Paul's life and the first-century context in which he and his communities lived.

One of the most influential works in the history of political theory, Aristotle's Politics is a treatise in practical philosophy, intended to inform legislators and to create the conditions for virtuous and self-sufficient lives for the citizens of a state. In this Companion, distinguished scholars offer new perspectives on the work and its themes.
