This paper examines images relating to therapies for mental illness in the late eighteenth and early nineteenth centuries. Seeking to trace the history of the sublime aesthetic in the visual culture of medicine as well as in the fine arts, I suggest that clear traces of the literary and visual rhetoric of the sublime can be identified in the literature on lunacy and later professionalised discourses of psychiatry.

20 Best Book The Sublime Object Of Psychiatry ...

Burke saw nature as the most sublime object, capable of generating the strongest sensations in its beholders. This Romantic conception of the sublime proved influential for several generations of artists. In this section essays explore how artists responded to the sublime in the late eighteenth and early nineteenth centuries, with articles on shipwreck and psychiatry, and case studies on the work of Stubbs, Haydon and Constable.
