Frank Shamrock may be the toughest man alive. The veteran cage fighter—his &“extreme fighting&” style involves aspects of boxing, kickboxing, wrestling, karate, Brazilian jujitsu, and even Southeast Asian Muay Thai—is the only person to win a title in all three major North American fight promotions. As Ultimate Fighting Champion he was widely regarded as the best pound-for-pound fighter in the world. But Shamrock has led a life of profound, even Dickensian, difficulty. Born Frank Alicio Juarez III, he suffered through a childhood of abuse, neglect, and molestation before sliding into juvenile delinquency and petty crime. After finding some refuge in the penal system, he was eventually taken in by Bob Shamrock, a Northern California man who had fostered hundreds of lost boys—among them Frank's adoptive older brother, Ken, also a champion MMA fighter. An early marriage followed, and an unplanned pregnancy. When Frank couldn't afford to support his family, he turned to burglary and wound up in state prison—a fact he has never, until now, discussed publicly. But when he was released, Frank joined Ken in training as a cage fighter. For the next two decades he dominated the entire sport. This riveting book tells his whole story. Shamrock gives vivid accounts of his fights, both in and out of the ring. He explains his losses and discloses what enabled him to become a champion. He credits the fighters who taught and inspired him and points out the weaknesses of many who didn't. He details his beef with the UFC and the reasons behind his retirement. He tells all about the violence, the injuries, the booze—and how he overcame them all to become a champion in every sense of the word.

"Has pain prevented you from living joyfully today? Do you struggle with overcoming what happened in the past? Are you tired of constantly repeating the mistakes you swore you'd never make? It is possible to live an uncaged, freedom-infused life. Author and speaker Mary DeMuth has been in the cage, wallowed there. But God had other plans. He chose to set her free, and He longs to unlock your cage too. Based on a quote from Oswald Chambers, this book follows three stages of finding and creating an uncaged life. To let go. To give it to Jesus. To anticipate a new future. Through Biblical teaching, real life-in-the-trenches examples and an eye toward spiritual growth, Mary DeMuth helps you find the uncaged life you've always longed for." P.[4] of cover.

From a leading prison abolitionist, a moving memoir about coming of age in Brooklyn and surviving incarceration—and a call to break free from all the cages that confine us. Marlon Peterson grew up in 1980s Crown Heights, raised by Trinidadian immigrants. Amid the routine violence that shaped his neighborhood, Marlon became a high-achieving and devout child, the specter of the American dream opening up before him. But in the aftermath of immense trauma, he participated in a robbery that resulted in two murders. At nineteen, Peterson was charged and later convicted. He served ten long years in prison. While incarcerated, Peterson immersed himself in anti-violence activism, education, and prison abolition work. In *Bird Uncaged*, Peterson challenges the typical “redemption” narrative and our assumptions about justice. With vulnerability and insight, he uncovers the many cages—from the daily violence and trauma of poverty, to policing, to enforced masculinity, and the brutality of incarceration—created and maintained by American society. *Bird Uncaged* is a twenty-first-century abolitionist memoir, and a powerful debut that demands a shift from punishment to healing, an end to prisons, and a new vision of justice.

Uncaged Wallflower is for those who feel trapped in the thoughts their minds produce, unable to express them with the rest of the world out of fear of critique or disagreement. For the people who need an extra dose of positivity in their day. This is not a poetry book for you to read and relate to in a sorrow filled way. It is for you to read and say yes, I can be better, and I will.

The Jewel by Amy Ewing meets Tricks by Ellen Hopkins in this gritty Young Adult Dystopian that tells of a fear-inducing future where the world of sex trafficking has become a social norm and where women aren't treated as humans and are no safer than they were than they were in The Handmaid's Tale by Margaret Atwood.

Savy believes she is a terrible person--murder and kidnapping hardly scream innocence. But what choice did she have? She had vowed to protect her little sister at any cost. Now, after years on the run, Savy believes they have finally escaped. But when her past crashes back into her life, she must decide if they will flee yet again, or stand and fight the Monster that has haunted their steps. Only problem? Defeating her past means trusting the sexy but dangerous outlaw biker who comes with demons of his own. Diablo--the ruthless President of Havoc Motorcycle Club--is the devil in every sense of the word. And he definitely doesn't have time for women, preferring the ease of club girls instead. That is until a curly-haired woman with haunted eyes stumbles into his life, awakening both his passion and a deep need to protect her. So when her life is threatened by a man from her past, he is quick to jump to her aid. He has no doubt he can save her, but can he win her heart in the process?

The third and final instalment in the fast-paced kick-ass Koko trilogy described by Booklist as "[A] futuristic wild ride... Great fun". Surviving job loss, an unsettled vendetta, a submarine wreck, heartbreak, and mortal carnage on a tokusatsu scale, Koko P. Martstellar (ex-corporate mercenary and saloon/brothel owner) is trying to reassemble what's left of her life. Being hired to protect global industrialist Bogart Gong seems like as good a place to start as any, but bodyguard work isn't the cakewalk Koko thought it'd be. Throw in some autocratic malfeasance, a hatchet man with a flair for the dramatic, a South American despot, lovers back from the grave, and a high-speed race at a prison, and you've a brain-melting cocktail of cyberpunk satire that's impossible to put down.
