Understanding the Enneagram: the Practical Guide to ...

It's a revised edition of the 1990
"Understanding the Enneagram" which
was itself excellent. This would make a
fine introduction yet also has a lot of
advanced material. The book contains
a good questionnaire for finding your
type, thorough descriptions of each
type, insight into the levels of
development (which is unique to these
authors), practical recommendations,
and the spiritual dimensions of the
types.
