A Honda XLR250 Baja, named after the famous Mexican 1000 off road event. A bit like the Paris Dakar, only difference I can see between this and the standard XLR is the enormous twin front headlights, (which are rubbish by the way, you,d be better off holding a candle in front of you if you drove this at night. I know). I bought this in 2015 from a friend with the intention of doing a ground up ...
