In response to the
recent critiques
made against
Balthasar's
interpretation of

With Your

Sermons
Christ's descent
into hell on Holy
Saturday, this book
argues that

Throughout The
Liturgical Year
Balthasar does not
intend to present a
radical

reinterpretation of
the doctrine in
contrast to the
traditional
teachings but
rather intends to
fully appreciate the

in-betweenness of
Holy Saturday as
the day of
transition from the
cross to the
resurrection, from
the old aeon to the
new. The book
further argues that
this awareness of
the "in-
betweenness" can
be detected
throughout

Get Free You Crown The Year

Balthasar's
theological corpus
and provides a clue
to interpret his
thoughts on
Christian
discipleship and
suffering. After all,
the Christian
existence is also
characterized by
the transition from
the old aeon to the
new, from suffering

to victory. The
Christian believes
that their victory is
already here and
not here yet. In this
sense, the
Christian still lives
in Holy Saturday.
Eventually, we can
deepen our
understanding of
Christian
discipleship and
suffering in the

light of Holy
Saturday. In short,
we could patiently
endure our Holy
Saturday because
of Christ's Holy
Saturday in hell.
